

Nifda DEODORANT BLEACH DISINFECTANT

PURPOSE	AMOUNT TO USE	DIRECTIONS
Laundry: Bleaches and sanitizes colorfast or white cotton, linen, nylon, dacron or orlon. Will not harm machine or septic tank.	2 tablespoons Bleach 2 gallons water, or 1 cup Bleach for each machine load.	Add Bleach to soaking, washing, or first rinse. Mix well. If Bleach is added after clothes are in machine, dilute in 1 quart water before using.
To Whiten nylon, dacron or orlon that has turned gray.	2 tablespoons Bleach 1 gallon warm water.	Soak clean fabric in solution 15 to 30 minutes. Rinse. Repeat if necessary.
Stains: To remove fruit, wine, tea, coffee, grass, ink, grease, etc. Also SCORCH and MILDEW.	3 tablespoons Bleach 1 quart cold water.	Soak fabric in Bleach solution 5 to 10 minutes. Rinse well.
Kitchens - Bathrooms: To clean, disinfect and remove stains from tile, porcelain, enamelware and linoleum floors.	2 tablespoons Bleach 1 quart water.	Use in plain or suds water. Let stand wet 2 minutes. Rinse. Dry.
Refrigerators: To clean, disinfect and to deodorize.	3 tbsp. Bleach 1 quart warm water.	Wash inside. Keep wet with Bleach solution for 5 minutes. Rinse. Dry.
Toilet Bowls: To clean, remove stains and deodorize.	1/2 cup Bleach	Pour Bleach into bowl. Swish inside. Let stand hour or overnight.
Drain Pipes: To clean and deodorize.	1 cup Bleach	Pour boiling water into drain. Follow with undiluted Bleach.
Special Disinfectant: Diapers, baby clothes, dish cloths, handkerchiefs and sickroom supplies.	3 tablespoons Bleach 1 quart water.	Wash clean. Place in solution or keep wet 5 minutes. Rinse.
General Disinfectant: Dairy and farm equipment, restaurant counters, etc.	2 tablespoons Bleach 2 gallons water.	Wash clean. Place in solution or keep wet 2 minutes. Solution recommended by many Public Health Departments.

CAUTION - DO NOT USE BLEACH WITH AMMONIA OR TOILET BOWL CLEANERS

Undiluted Bleach will irritate skin or eyes. In case of contact, immediately flush with water. If taken internally administer milk or white of egg to feed on. If spilled, wash mouth of container away from you when removing cap.
