DISPOSE OF WASTES: Buy only product that contains label and **DISPOSE OF WASTES** by burying at least 18 inches deep in soil and allowing rain water to seep in. Do not use in areas where it can be eaten and have a flow waste.

TERMS OF SALE OR USE: On purchase or use of this product, buyer and user agree to the following conditions: **WARRANTY:** FMC warrants that this product, as of the time of sale by FMC, (1) conforms to the ingredient statement on the label, and (2) is reasonably fit for the purposes set forth in the Directions for Use. **EXCEPT AS SO WARRANTED THE PRODUCT IS SOLD AS IS. FMC MAKES NO OTHER WARRANTY, EXPRESS OR IMPLIED.**

DAMAGE: Buyer's or user's exclusive remedy for damage to or death of plants, or negligence, shall be limited to direct damages not exceeding the purchase price paid and shall not include incidental or consequential damages. No action for any claim must be reported to FMC within 10 days of this remedy by buyer or user, failing which buyer or user waives any claim for such damage.

EXCUSE FROM NON-CONTROLLABLE CONDITIONS: Be cause of certain critical conditions created or incurred by buyer or user, or over which FMC has no control, buyer and user, as a condition of purchase or use, hereby release, defend, hold harmless and release FMC from liability arising out of the handling or use of the product attributed to such conditions. Buyer's or user's sole remedy for such conditions shall be to return the product to FMC for a full refund.

DIRECTIONS FOR USE

NOT FOR USE OR STORAGE IN OR AROUND THE HOME

This material can be used in conventional hydraulic sprayers, low-volume ground applications, or airplane sprayers. Do not apply with hand equipment. Keep agitated while applying. If allowed to stand re-agitate before use. When applying this material by aircraft, mix the required amount with sufficient water to provide a minimum of 1 gallon of finished spray per acre.

Apply when insect first appear and repeat as required to maintain control. Spray plants thoroughly. Observe days interval between last application and harvest indicated on label following the crop.

BEANS (1), BEETS (3), BROCCOLI (1), BRUSSELS SPROUTS (3), CABBAGE (1), CANTALOUPE (1), CARROTS (1), CAULIFLOWER (3), CELERY (3), COLLARDS (3), CUCUMBERS (1), EGGPLANTS (1), HONEYDEW MELONS (1), KALE (3), LETTUCE (2), MUSKMELON (1), ONION (1), PEAS (1), PEPPERS (1), POTATOES (1), SPINACH (4), TOMATOES (1), TURNIPS (3), WATERMELON (1) - Aphids - Use 1/2 to 1/2 pint per acre in sufficient water to cover.
