WARNING

KEEP OUT OF REACH OF CHILDREN

- May Be Fatal If Swallowed!
- May Be Absorbed Through Skin!
- Do not breathe dust or spray mist.
- Avoid contact with skin and eyes.
- Wash thoroughly after handling.
- Avoid contamination of feed and foodstuffs.

USAGE CAUTIONS

Dosage of Lindane 75 Spray has to be considered for each crop as it does affect germination of some kinds of seed more than others. It also varies in insecticidal efficiency with different crops. Only seed of high germination, with good vigor, should be treated with Lindane. Poor seed may suffer greater injury. In the absence of adequate information, it is suggested that seed be treated not over six weeks before planting. What effect prolonged storage has on germination has not been definitely established. This product is toxic to fish and wildlife. Keep out of lakes, ponds and streams. Use this product only as specified on this label.

DISPOSE OF WASTES by burying in non-crop land away from water supplies. Empty bags should be buried with wastes or burned. Keep out of smoke.

ACCEPTED

NOV 7 1968

UNDER THE FEDERAL INSECTICIDE FUNGICIDE AND ROENTICIDE ACT FOR ECONOMIC POISON REGISTERED UNDER NO. --- SUBJECT TO ATTACHED COMMENTS.
