

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

1000 North 17th Street
 Raleigh, NC 27615

SEP 21 1989

Attention: Wallace Powell

SEP 21 1989

Reference:

Subject: Pesticide Disinfectant (001-5)
 EPA Registration No. 507-01
 Your Amendment Dated 4/27/89

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable subject to the comment indicated below. The finished labeling must be submitted:

- Under Inert Ingredients, the statement "Includes soap and isopropanol" has to be either deleted or expanded to include each Inert Ingredient as enumerated in your Confidential Statement of Formula. In other words, you cannot have a partial Inert Ingredients list on the label.

If you have questions, please contact Wallace Powell at (703) 557-6938.

Sincerely yours,

Jeff Kompter

FEATURES, CLAIMS, AND USES

Kills many odor-causing bacteria often found in public and residential areas, industrial and institutional facilities, public transportation and waste storage and processing areas, and which are sources of malodors.

Cleans and disinfects/deodorizes the natural way. Contains NATURAL PINE OIL with no synthetic perfumes or dyes. Does not contain synthetic disinfecting agents, such as "quats", "phenolics", "iodophors", "hypochlorites" or "formaldehyde donors". Leaves a clean, pleasant, fresh, natural pine fragrance.

Use first to clean, then to disinfect/deodorize non-porous surfaces in industrial and institutional facilities, home and residential areas, schools, public facilities, offices, stores, factories, cars, trucks, busses, trains, planes, and ships. Use to clean and disinfect bathroom surfaces, fixtures, and furniture such as toilets, urinals, bathtubs, shower stalls, sinks, railings, fixtures, partitions, woodwork, chairs, beds, floors, walls and ceilings. This cleaning and disinfecting helps reduce unpleasant bacteria caused putrefactive odors in these areas.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: Harmful if swallowed. Avoid getting concentrate in eyes or on skin.

Avoid contamination of foods, drinking water, drinks or feeds, or any surfaces or equipment that they may contact.

STATEMENTS OF PRACTICAL TREATMENT
