 BOWL WATER
 BACTERIOSTAT

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION Contains Paradichlorobenzene. Contact with eyes may cause irritation. May be harmful if swallowed. Avoid contact with eyes, skin, or clothing. Wash thoroughly with soap and water after handling. Get medical attention if any irritation persists or develops later. Do not allow product to contaminate drinking water, food, or feed.

STATEMENTS OF PRACTICAL TREATMENT

IF SWALLOWED Immediately call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.

IF IN EYES Rinse immediately with water. Remove any contact lenses, then flush eyes with water for 10 to 15 minutes. Call a physician if irritation persists.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

AS A BOWL WATER BACTERIOSTAT AND DEODORIZER Simply clip holder inside the toilet bowl or urinal. It must be located in such a way that the flush water will pass over it with each flush carrying its bacteriostatic and air freshening ingredients into the fresh bowl water.

AS A ROOM AIR DEODORIZER Hang holder anywhere in room where there is sufficient air circulation to carry the air deodorizing ingredients throughout the room. The container should be located where there is sufficient air circulation to carry the air deodorizing ingredients throughout the room. For longer life, do not place in a direct draft, such as near windows, doors, air ducts, fans, or radiators. It permeates the surroundings with a pleasant, fresh, clean, and soothing fragrance. It works 24 hours a day, neutralizing foul odors such as Garlic, Onion, Urine, Decay, Decomposition, Putrefaction, Exhaled, Stale Air, and Perspiration.

STORAGE AND DISPOSAL

GENERAL Do not contaminate drinking water, food, feed, seeds, fertilizer, or other pesticides by use, storage, or disposal. If damaged, leaking, or spilled, wrap waste and dispose of as below.

STORAGE Keep sealed plastic container in original carton in a cool, dry, locked area away from flames, sparks, sunlight, other chemicals, and other sources of ignition, heat, degradation, or contamination.

DISPOSAL Do not reuse empty packaging. Securely wrap original packaging in several layers of newspaper and discard in trash.
