### CAUTIONS

Keep spray in constant motion at least 36 inches away from walls, fabrics, furniture, floor, plastics, etc. Spraying closer may cause stains or may damage certain floors or plastics. Foods should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. When using the product in these areas, apply only when plant is not in operation.

**WARNING:** Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130° F may cause bursting. Never throw container into fire or incinerator.
