# ODOREX

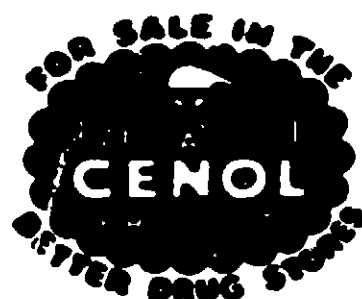

NUGGET

# MOTH

# CRYSTALS

(Paradichlorobenzene)

ACTIVE INGREDIENT 100%

## DIRECTIONS

As a Deodorant, sprinkle around floor. Limit application to no more than 10 oz. per 800 sq. ft.

As a Moth Destroyer, must be used in the proportion of 1 pound to 100 cubic feet of air tight space. Place between folds of cloths, furs, or blankets and pack in airtight boxes, trunks or closets. Cenol Odorex Moth Crystals may be placed in cheesecloth bags and hung in top of garment bags.

Mildew Protection — Wrap, airtight and seal, shoes, papers, suitcases and similar items in heavy paper, use 1 lb./100 cu. ft. Careful wrapping and airtight sealing will prolong protection to 6-8 months. Additional Moth Crystals should be added when treated space is opened or unsealed.

For Fleas in Houses — Distribute 5 pounds to
