

USE WHEREVER ROACH INFESTATION OCCURS

CUT OUT FOR TRAP

TOTAL NET WT. 1.05 OZ. (30 GRAMS)

ROACHES ENTER HOLES TO FEED-RETURN TO NESTS TO DIE

DIRECTIONS

Place trap where roaches are numerous—under sinks, behind refrigerators, in cupboards, in closets, near baseboards, shelves and other areas where roaches hide. Use 2 or 3 traps for each area. Roaches feed at night and return to hiding places to die.

CAUTION — Harmful if swallowed or absorbed thru skin. Do not get on skin, in eyes, or on clothing. Wash with soap and water after use. Do not contaminate feed or foodstuffs. Do not use in edible product areas of food processing plants. Place traps only in areas inal cessible to children and pets.

If poisoning occurs, get prompt medical aid. Atropine sulphate is antidotal.
