RECOMMENDATIONS

CAPTAN-TERRACLOR 30-30 Seed Protectant is a special fungicidal formulation for use at time of planting to protect cotton seed and seedlings against damping-off, seed and seedling rots, Rhizoctonia (Soreshin), Pythium and designed for use in the planter box.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

COTTON: Damping off, Seed and Seedling rots, Rhizoctonia (Soreshin), Pythium.

PLANTER BOX APPLICATION: Use 1 lb. per acre. The seed and the proper amount of this material may be pre-mixed in a container just prior to dumping in the planter box or the chemical may be added to the seed in the planter box and blended by stirring or mixing thoroughly. To insure correct planting rate, re-check the planter calibration after adding the proper amount of fungicide. Planter box application of CAPTAN-TERRACLOR 30-30 Seed Protectant is not intended as an alternative seed coat treatment, but as a supplement to certain other treatments which are applied to the seed prior to planting time.

STORAGE AND DISPOSAL

PROHIBITIONS: Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited.

PESTICIDE DISPOSAL: Pesticide, spray mixture, or rinsate that cannot be used or chemically reprocessed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies.

CONTAINER DISPOSAL: Dispose of in an incinerator or landfill approved for pesticide containers, or bury in a safe place.

GENERAL: Consult federal, state or local disposal authorities for approved alternative procedures such as limited open burning.

NOTICE — READ CAREFULLY

CONDITIONS OF SALE: Stauffer (and seller) offer(s) this product for sale subject to, and buyer and all users are deemed to have accepted, the following conditions of sale and warranty which may only be varied by written agreement of a duly authorized representative of Stauffer.

WARRANTY LIMITATION: Stauffer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the directions for use on the label subject to the inherent risks referred to below. Stauffer makes no other express warranties; THERE IS NO IMPLIED WARRANTY OF MERCHANTABILITY and there are no warranties which extend beyond the description on the label hereof.

INHERENT RISKS: The directions for use of this product are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks associated with use. Buyer assumes all risks associated with use or application of this product contrary to label instructions or resulting from extraordinary weather conditions.

LIMITATION OF LIABILITY: In no case shall Stauffer be liable for special, indirect, or consequential damages resulting from the use or handling of this product and no claim of any kind shall be greater in amount than the purchase price of the product in respect of which such damages are claimed.
