BACK PANEL

ROACH & BUG KILLER INSECTICIDE

FOR USE IN HOMES, LOCKER ROOMS, REST ROOMS AND THE NON-FOOD/FEED AREAS OF HOTELS, MOTELS, RESTAURANTS, HOSPITALS, SCHOOLS, INSTITUTIONS, AND FACTORIES.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

C A U T I O N

Harmful if swallowed, inhaled, or absorbed through skin. Avoid contact with skin, eyes, or clothing. Avoid breathing vapor or spray mist. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. Avoid contamination of food or feed. Do not use on household pets or humans. Remove pets from area, and cover fish bowls before spraying. Do not allow children or pets in treated areas until sprayed surfaces have dried. Do not apply this pesticide in patient rooms while occupied or in any rooms occupied by the elderly or infirm. Do not apply this pesticide when classrooms are in use. Do not apply this pesticide in the immediate area when occupants are present. Use only in well-ventilated area.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Call a physician immediately. DO NOT INDUCE VOMITING UNLESS NO OTHER TREATMENT IS AVAILABLE. Vomiting may cause aspiration pneumonia. If it is necessary to induce vomiting, give victim 1 or 2 glasses of water and insert finger in back of throat. Do not induce vomiting or give anything by mouth if person is unconscious or convulsing.

IF INHALED: Remove victim to fresh air and apply artificial respiration if indicated. Get medical attention.

IF IN EYES: Rinse eyes with plenty of water and call a physician immediately.

IF ON SKIN: Wash promptly with soap and water. Get medical attention.

NOTE TO PHYSICIAN: This product is an organophosphate insecticide. If symptoms of cholinesterase inhibition are present, atropine sulfate by injection is antidotal. 2-PAM is also antidotal and may be administered, but only in conjunction with atropine. This product contains a petroleum distillate solvent, which may present an aspiration hazard. Gastric lavage may be indicated if product was taken internally.

395

ENVIRONMENTAL HAZARDS

This pesticide is highly toxic to birds, fish, and other wildlife. Birds feeding or drinking on treated area may be killed. Keep out of lakes, streams, ponds, tidal marshes, and estuaries. Do not apply directly to water. This pesticide is highly toxic to bees exposed to direct treatment or to residues on blooming plants where they feed. Do not allow this pesticide to drift to blooming plants if bees are visiting the treatment area. Do not apply this product to or allow it to drift to food crops or any desirable vegetation at any time.

PHYSICAL & CHEMICAL HAZARDS

Flammable. Contents under pressure. Keep away from fire, sparks, and heated surfaces. Do not puncture or incinerate container. Exposure to temperatures above 130 F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

GENERAL INFORMATION: Roach & Bug Killer Insecticide is a ready-to-use product in a ready-to-use pressurized container. Hold the container upright and lightly spray surfaces until wet according to the directions for use. This product may be used inside and outside the home for control of the pests specified on this label.

INDOOR USE:

Controls: Cockroaches (waterbugs), ants, firebrats, silverfish, brown dog ticks, springtails, spiders, crickets, earwigs, sowbugs (pillbugs), carpet beetles.

PRECAUTIONS: (1) Do not use this product indoors as an overall surface spray or as a space spray; take care not to introduce this product into the air during application. (2) Use only in well-ventilated areas. (3) Do not apply where children are likely to frequently contact treated surfaces. (4) Remove or cover fish bowls and remove pets before application. (5) Do not treat pets or plants with this product. (6) Do not allow children or pets in treated areas until spray has dried. (7) If clothing is sprayed during application, remove clothing immediately after spraying and launder before wearing again. (8) Do not apply directly to carpets or floor coverings and avoid excessive wetting of asphalt tile, rubber, and plastic materials because damage may occur. (9) Care should be taken to avoid spotting of walls, wall coverings, and fabrics. (10) Do not apply directly to upholstery or furniture. (11) Do not apply to areas, surfaces, or utensils which will contact food or feed. (12) Exposed food should be covered or removed during application. (13) All food processing surfaces and utensils should be covered during application or thoroughly washed with soap and water before use. (14) Do not use in food areas of

of food handling establishments, restaurants or other areas where food/feed is commercially prepared or processed. Do not use in serving areas while food is exposed or facility is in operation. Serving areas includes those where prepared food are served such as dining rooms but excludes areas where foods may be prepared or held. In the home, all food processing surfaces and utensils should be covered or removed. NON-FOOD AREAS- includes garage rooms, lavatories, floor drains (to sewers), entries and vestibules, offices, locker rooms, machine rooms, boiler rooms, mop closets and storage (after canning or bottling). (15) Do not use in conduits, motor housings or electrical switch boxes.

APPLICATION: Cockroaches (waterbugs), Ants, Firebrats, Silverfish, Sowbugs (Pillbugs), Springtails, Spiders, Crickets, Earwigs: As a supplement to good housekeeping, spray until wet, surfaces behind and beneath cabinets, refrigerators, sinks, and stoves, as well as ant trails and other localized areas where insects tend to hide. Discard infested food packages, but do not spray inside cabinets where food is stored. Spray window and door frames where ants enter. Treat difficult to service locations such as voids around water pipes and cracks and crevices along baseboard moldings. Repeat as necessary.

CARPET BEETLES: Make localized application to areas of the floor and baseboards. Spray directly into cracks and under carpets where insects may be found. Treat crevices, cracks, and infested areas of shelving in closets. Repeat as necessary.

BROWN DOG TICKS: Spray infested areas around baseboards, window and door frames, wall cracks, sleeping quarters of pets, and localized areas of floors and floor coverings. Repeat as necessary. Fresh bedding should be placed in animal quarters after treatment. Do not treat animals with this product.

SPIDERS: Apply spray around windows, doors, and along baseboards. Make spot applications to other areas over which these pests may crawl.

OUTDOOR USE:

Controls: Flies, Mosquitoes, Wasps, Flying Moths, Chiggers, Ants, Brown Dog Ticks, Clover Mites.

PRECAUTIONS: (1) Spray with wind to your back. If clothing becomes wet from spray during use, remove clothing after spray, wash affected body areas thorough with soap and water, and launder clothing before wearing again. (2) Do not allow children or pets to contact treated areas until spray has dried. (3) Do not apply to lawns or other desirable plants.

APPLICATION: Flies, Mosquitoes, Wasps, Flying Moths: For outdoor use only as an aid in reducing annoyance from these insects. Spray outside surfaces of screens, doors, window frames or wherever these insects may enter. Treat dark corners and localized resting areas,

under eaves, on porches, around patios, and garages. Repeat as necessary. Also treat surfaces around light fixtures on porches, in garages and other places where these insects alight or congregate.

CHIGGERS, ANTS, BROWN DOG TICKS, CLOVER MITES: For treatment of localized infestations of insects in outdoor areas, spray infested areas. Do not apply to lawns or other desirable plants. For ants, wet hills and runways. Repeat as necessary.

PORCHES, PATIOS, GARAGES, AND OTHER AREAS AROUND THE HOUSE WHERE INSECTS HIDE AND CONGREGATE: To help keep flies, mosquitoes, wasps, and flying moths from entering the house, treat outdoor areas where these insects congregate. This treatment can be an effective addition to total pest control.

STORAGE AND DISPOSAL

STORAGE: Keep away from fire, sparks, and heat. See physical or chemical hazards for additional precautions. Store in an area inaccessible to children and pets.

DISPOSAL: Do not reuse empty container. Do not puncture or incinerate container. Wrap container and put in trash collection.

WARRANTY STATEMENT

Our recommendations for use of this product are based on tests believed to be reliable. If not used in accordance with directions or established safe practice, no guarantee expressed or implied is made to the effects. The buyer must assume all responsibility from the misuse of this product or in combination with other materials.
