Bytech Bysan is a concentrated detergent disinfectant which provides effective cleaning, deodorizing and disinfection. Bytech Bysan has been designed specifically for hospitals, nursing homes, schools other than preschool or day care, food processing plants and other institutions where housekeeping is of prime importance in controlling the hazard of cross contamination. It is formulated to disinfect inanimate hard surfaces such as walls, floors, sink tops, toilet bowls, tables, chairs, telephones and bed frames. For larger areas such as operating rooms, patient care facilities and restrooms, the product is designed to provide general cleaning and disinfecting. In addition, Bytech Bysan deodorizes those areas which generally are hard to keep fresh smelling, such as garbage storage areas, empty garbage bins and cans, toilet bowls and any other areas which are prone to odors caused by microorganisms.

Bytech Bysan, when diluted at the rate of 2 ounces per gallon of water, is an effective disinfectant against the organisms *Pseudomonas aeruginosa*, *Salmonella choleraesuis*, *Staphylococcus aureus* and meets all requirements for hospital use. It is fungicidal against the Pathogenic fungi *Trichophyton mentagrophytes*, prevents and controls mold and mildew and the odors they cause on hard nonporous inanimate surfaces.

Efficacy tests demonstrated that Bytech Bysan is an effective bactericide, fungicide and virucide in the presence of organic soil (i.e. blood serum).

PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS AND DOMESTIC ANIMALS

DANGER: Keep out of reach of children. Causes severe eye and skin damage. Do not get in eyes, on skin or on clothing. Irritant if swallowed. Wear goggles or face shield and rubber gloves when handling. Avoid contamination of food. Remove and wash contaminated clothing.

STATEMENT OF PRACTICAL TREATMENT

In case of contact immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, drink milk, egg whites, gelatin solution or, if these are not available, drink large quantities of water. Call a physician.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against irritatory shock, respiratory depression and convulsion may be needed. Medical Emergency Telephone Number: 1-16-266-2253.

ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product to lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product

Bytech Bysan

CLEANER - DETERGENT - DEODORIZER - DISINFECTANT
FUNGICIDE (against Pathogenic fungi) - VIRUCIDE*

EPA Reg. No. 527-119

Active Ingredients:

n-Alkyl (60% C ₁₂ , 30% C ₁₄ , 5% C ₁₆ , 5% C ₁₈)	
dimethyl benzyl ammonium chlorides	2.25%
n-Alkyl (68% C ₁₂ , 32% C ₁₄) dimethyl ethylbenzyl ammonium chlorides	2.25%
Inert ingredients	95.50%

Only for sale to, use and storage by service personnel

**KEEP OUT OF REACH OF CHILDREN
DANGER**

See Precautionary and First Aid Statements on Left Panel

to sewer systems without, previously notifying State Water Board or Regional Office of the D.I.

It is a violation of Federal Law to use this product for DISINFECTION. To disinfect hard inanimate surfaces, use 2 ounces of Bytech Bysan per gallon of water. Apply solution thoroughly. Allow to remain wet for 10 minutes. To disinfect toilet bowls, flush toilet, add completely, using a scrub brush or toilet brush. For heavily soiled areas, a pre-cleaning step is recommended.

VIRUCIDAL ACTIVITY: This product, when diluted with water, exhibits effective virucidal activity against Herpes simplex (causative agent of upper respiratory infections) and Vaccinia virus.

STORAGE

Do not contaminate water, food or feed by storage or disposal. Pesticide wastes, mixtures of wastes or a violation of Federal instructions, contact your State Pesticide Control Agency at the nearest EPA Regional office for disposal. **CONTAINER DISPOSAL:** Triple rinse (or equivalent) and recycle where possible. Do not dispose of in a sanitary landfill, or by other means.
