

OVER AND OUT

GENERAL PURPOSE INDOOR INSECTICIDE

ODORLESS - NON-STAINING

Kills Carpet Beetles, Moths, Silverfish, Bedbugs, Waterbugs, Roaches
APPLY TO CARPETS, MATTRESSES, UPHOLSTERY, DRAPERIES, GARMENTS,
AND OTHER SURFACES

ACTIVE INGREDIENTS.....100%

- Petroleum distillate
- Lindane (Gamma isomer of benzene hexachloride)

DIRECTIONS

FOR CARPETS: Spray thoroughly and uniformly over entire surface of carpet using pressurized, electric or hand sprayer. **FOR CARPET BEETLES:** Apply especially to any infested areas of carpets, local areas of floors, baseboards, cracks and under carpets where insects may be found. Spray directly on insects when possible. Permit carpet to dry thoroughly before exposing to traffic. Provide ventilation or air circulation to speed drying. Repeat application every 30 days.

FOR UPHOLSTERY, DRAPERIES, GARMENTS: For moths, spray thoroughly all items to be protected, paying particular attention to seams and folds. Spray thoroughly all closets, trunks and storage containers. Air out garments and upholstery before wearing or using. Repeat application monthly unless treated articles are stored in a moth-tight container.

FOR MATTRESSES: FOR BEDBUGS, spray thoroughly beds and mattresses, all cracks and hiding places about the room, around baseboards, walls and floors. Air bedding before using. Repeat treatment periodically as necessary.

FOR ROACHES, WATERBUGS AND SILVERFISH: Apply thoroughly and repeatedly by spraying infested areas, working the spray into cracks, hiding places, or other areas where insects have been seen resting, running or hiding. Special attention should be given to treatment of baseboards, areas behind shelving, bookcases and storage areas. Wherever possible spray directly on insects. Repeat application regularly.

CAUTION: KEEP OUT OF REACH OF CHILDREN.

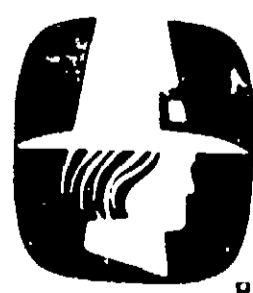

Avoid inhalation of mist or contact with skin. In case of contact with skin or eyes, wash with plenty of water; for eyes, get medical attention. May be absorbed through skin. Harmful if swallowed. Avoid contamination of feed and foodstuffs. Do not use on household pets and humans.

NOTE: DO NOT USE, POUR, SPILL, OR STORE NEAR HEAT OR OPEN FLAME. Do not smoke while spraying. Do not spray on plastic clothes hangers or garment bags. Do not reuse empty container. Destroy it by perforating or crushing. Bury or discard in a safe place away from water supplies. Do not contaminate water by cleaning of equipment, or disposal of wastes.
