

  
**Adco** **MULTI-PURPOSE**

**KLENSO**

**WORLDS FINEST CONCENTRATED LIQUID DETERGENT**

**WITH**  
*Bacteriostatic and Fungistatic*  
**ACTION**

Cleans, Deodorizes and Inhibits the growth of harmful bacteria in one operation when used according to directions.

Produces new healthful cleanliness. Contains no inflammable solvents.

RECOMMENDED FOR ALL GENERAL CLEANING PURPOSES (Floors, Walls, Woodwork).

ADCO KLENSO emulsifies and removes grease, oil, and other types of dirt; penetrates and soaks under accumulations.

**DIRECTIONS FOR USE**

**GENERAL CLEANING** (Painted Walls, Woodwork, etc.) Use 1 part KLENSO to 25 parts water. For **WALL WASHING MACHINES**: Use 6 to 7 ounces KLENSO to 1½ gallons finished solution. Rinse with clear water. **FLOORS**: Use 1 part KLENSO to 16 parts water, for scrubbing or mopping. To Remove Oil From Floors: Use 1 part KLENSO to 5 parts water. Work with a stiff brush for best results. Rinse with clear water.

**CEMENT FLOORS**: Use KLENSO undiluted for removing paint or other

Cleans, Deodorizes and Inhibits the growth of harmful bacteria in one operation when used according to directions.

Produces new healthful cleanliness. Contains no inflammable solvents.

RECOMMENDED FOR ALL GENERAL CLEANING PURPOSES (Floors, Walls, Woodwork).

ADCO KLENZO emulsifies and removes grease, oil, and other types of dirt; penetrates and soaks under accumulations.

### DIRECTIONS FOR USE

**GENERAL CLEANING** (Painted Walls, Woodwork, etc.) Use 1 part KLENZO to 25 parts water. For **WALL WASHING MACHINES**: Use 6 to 7 ounces KLENZO to 1½ gallons finished solution. Rinse with clear water. **FLOORS**: Use 1 part KLENZO to 16 parts water, for scrubbing or mopping. To Remove Oil From Floors: Use 1 part KLENZO to 5 parts water. Work with a stiff brush for best results. Rinse with clear water.

**CEMENT FLOORS**: Use KLENZO undiluted for removing paint or other hard encrustations. For routine cleaning of cement floors use 1 part KLENZO to 10 parts water. Rinse with clear water.

**NOTE**: On extremely dirty surfaces apply the KLENZO solution and let it "work" a few minutes before scrubbing. Always rinse for best results.

## CAUTION! Keep Out of Reach of Children.
