UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

AUG - 2 1995

Henry E. Rohland
 Lebanon Chemical Corporation
 P.O. Box 180
 Lebanon, PA 17042-0180

Dear Mr. Rohland:

Subject: Corrected Labeling - Add WPS Exclusionary Statement
 Lebanon Uniform 10-6-4 with 2,4-D Weed and Feed
 EPA Registration No. 961-214
 Your Submission Dated May 15, 1995

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable with the following provisions:

- 1) Revise the first two sentences of the Precautionary Statements to read as follows:

"Harmful if swallowed, absorbed through skin or inhaled. Causes eye irritation. Avoid contact with skin, eyes or clothing. Avoid breathing dust."

- 2) Rewrite the Statement of Practical Treatment to read as follows:

"IF SWALLOWED: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. If person is unconscious, do not give anything by mouth and do not induce vomiting."

"IF IN EYES: Flush eyes with plenty of water. Call a physician if irritation persists."

"IF ON SKIN: Wash with plenty of soap and water. Get medical attention."

"IF INHALED: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention."

DK: 305-7546: FAB/PM 23		CONCURRENCES					
SYMBOL	7505C						
SURNAME	D. KENNY						
DATE	7/31/95						

- 246
- 3) Revise the third sentence of the Environmental Hazards section to read "Do not apply directly to water."
 - 4) Add a statement to follow the recommended spreader settings to read "NOTE: Above spreader settings are approximate. Check your spreader on 100 square feet and adjust to apply only 6 ounces per 100 square feet."

A stamped copy is enclosed for your records. Please submit one (1) final printed copy for the referenced label, incorporating the above changes, before releasing the product for shipment.

Sincerely yours,

Joanne I. Miller

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION**

Harmful if swallowed or absorbed through the skin. Avoid breathing dust and contact with skin, eyes or clothing. Do not allow people (other than Applicator) or pets on treatment area during application. Do not enter treatment area until dusts have settled.

When using this product, wear a long-sleeved shirt, long pants, socks and shoes. After using this product, remove clothing and launder separately before reuse, and promptly and thoroughly wash hands and exposed skin with soap and water.

FIRST AID

In case of contact, immediately flush eyes or skin with plenty of water. Get medical attention if swallowed or if irritation persists.

ENVIRONMENTAL HAZARDS

This product is toxic to aquatic invertebrates. Drift or runoff may adversely affect aquatic invertebrates and nontarget plants. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

NOT FOR USE ON TURF BEING GROWN FOR SALE OR OTHER COMMERCIAL USE AS SOD, OR FOR COMMERCIAL SEED PRODUCTION OR FOR RESEARCH PURPOSES.

SIMPLIFIES LAWN CARE

This product is an effective granular fertilizer which grows rich green areas and kills weeds at the same time.

Ends weed digging or spraying. Flows freely right from the bag without mixing or other preparation.

MAKES LAWN CARE ENJOYABLE

This product destroys dandelion, plantain, goldenrod, ragweed, thistles, wild mustard, wild morning glory, mallow docks, shepherd's purse and other broadleaf weeds without harm to permanent grasses.

Scott	5		

DIRECTIONS

This product is a mixture of 2,4-D and fertilizer for application to active growing broadleaf weeds. Better results are obtained if applied when ground moisture is adequate. During dry weather, water lawn thoroughly 24 hours prior to application. For persistent weeds, or if a heavy rain within 2 days after application, a second application may be necessary. The maximum number of broadcast applications per treatment site is two per year.

Sweep all fertilizer materials from concrete surfaces immediately after application. Do not wash materials from concrete surfaces because some fertilizers may contain iron which may cause discoloration upon oxidation.

FOR ESTABLISHED LAWNS:

With a calibrated spreader, apply evenly at a rate of 4 lbs. per 1,000 sq. ft. Do not apply to creeping grass such as bentgrass. Do not mow, water or make heavy use of lawn for at least 24 hours after spreading.

FOR NEW LAWNS:

Do not apply to newly-seeded lawns until after 2nd or 3rd mowing.

STORAGE AND DISPOSAL

<p>STORAGE: Keep in original container in a cool, dry area, away from extreme heat and direct sunlight. Do not store near food, feed, seeds or other pesticides.</p>

<p>PESTICIDE DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash.</p>

<p>CONTAINER DISPOSAL: Do not reuse bag. Discard bag in trash.</p>
