**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC
ANIMALS
CAUTION**

Harmful if swallowed or absorbed through the skin. Avoid breathing vapors or spray mist. Avoid contact with eyes and skin. In case of contact, immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists. If swallowed, do not induce vomiting. Call a physician immediately.

Do not apply directly to food. In commercial food handling facilities cover or remove food and food processing equipment during application. Do not apply while food processing is underway. After spraying in bakeries and other food processing plants, wash with potable water, all equipment, benches, shelving, etc., where exposed food will be handled. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Remove pets and birds, and cover fish aquariums before spraying.

PHYSICAL OR CHEMICAL HAZARDS.
Do not use or store near heat or open flame.

STORAGE AND DISPOSAL Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited.
PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.
CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.
GENERAL: CONSULT FEDERAL STATE OR LOCAL DISPOSAL AUTHORITIES FOR APPROVED ALTERNATIVE PROCEDURES.

OLCO SPECIAL MILL SPRAY

ACTIVE INGREDIENTS

Petroleum Oil	98.728%
Piperonyl Butoxide Technical*	1.000%

CAUTION

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED — Call a physician or Poison Control Center immediately. Gastric lavage is indicated if material was taken internally. **DO NOT INDUCE VOMITING:** vomiting may cause aspiration pneumonia.
IF INHALED — Remove victims to fresh air. Apply artificial respiration if indicated.
IF ON SKIN — Remove contaminated clothing and wash affected areas with soap and water.
IF IN EYES — Flush eyes with plenty of water. Get medical attention immediately.
NOTE TO PHYSICIAN — Solvent presents aspiration hazard. Gastric lavage is indicated if material was taken internally. If symptoms of cholinesterase inhibition are present, atropine sulfate is antidotal. 2-PAM is also antidotal and may be administered in conjunction with atropine.

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

It is especially recommended for use in Bottling Plants, Breweries, Food Processing Plants, Canneries, Dairies, Picking Houses, and Bakeries. It can be used around food and food handling equipment, but should not be applied directly to uncovered food or food products.

For control of Flies, Mosquitoes, Gnats, Anopheles Grain Moths, Indian Meal Moths, Mediterranean Flour Moths, Grain Weevils and Flour Beetles in their dispersed or accessible stages apply in a good sprayer adjusted to give a fine mist. Where ever possible keep doors and windows closed for 15 minutes after spray application. Direct spray toward upper portions of enclosure, filling room with mist and using from 2 to 5 ounces of material for each 1000 cubic feet of space. Also spray cracks and crevices. Do not remain in treated areas and ventilate area after treatment is completed.

To control active stages of Roaches, Ants, Silverfish direct the spray mist toward and into all places commonly inhabited by these pests, and spray liberally into all cracks, crevices and similar hiding places. Treat Shelves, Pipes, Cabinets, Storage Areas, Sinks, Ant Trails, Nests and Runs. Repeat treatment as often as necessary.

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as directed on the label.
