Attention: Ann M. Oxford

Gentlemen:

Subject: Pyrethrin Spray
EPA Registration No. 1677-111
Your Submission Dated November 10, 1988

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

At the next printing of labels, no more than 6 months from the date stamped on this letter, add the following statement to the precautionary statements:

If Swallowed: Do not induce vomiting. Get immediate medical attention. Avoid contact with skin and eyes. In case of contact, immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists.

Sincerely yours,

Phil Hutton
Product Manager (17)
Insecticide-Rodenticide Branch
Registration Division (H7504C)

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION

Harmful if swallowed. Do not apply directly to food. In commercial food handling facilities cover or remove any food and food processing equipment during application. Do not apply while food processing is underway. After space spraying food processing plant thoroughly wash all equipment, benches, shelving, etc., where exposed food will be handled with an effective cleaning compound followed by a potable water rinse.

Remove pets, birds, and cover fish aquariums before spraying.

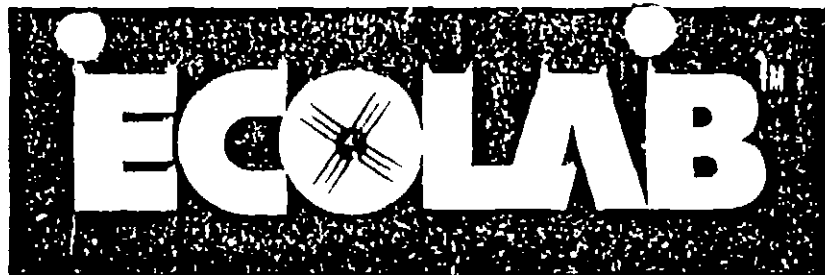

PHYSICAL AND CHEMICAL HAZARDS

Do not store, pour, or spill near heat or open flame. Keep containers closed.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Keep out of lakes, streams, or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

This spray is especially designed for use in food storage warehouses, dry milk plants, meat packing plants, flour mills, breweries, potato flaking plants and warehouses, grain bins and elevators, restaurants, grocery stores, and food handling or processing plants.

**PYRETHRIN
SPRAY**
