

# NALKIL

## 2726 LIQUID WITH ENDRIFT

### WEED KILLER

#### ACTIVE INGREDIENTS:

Petroleum oil .....	
2,4-Dichlorophenoxyacetic acid, isomer ester * .....	65%
Bromacil (5-bromo-3-sec-butyl-2-methyluracil) .....	4.79%
Pentachlorophenol .....	6.18%
Other chlorophenols .....	0.72%
<b>INERT INGREDIENTS: .....</b>	<b>6.04%</b>
<b>Total .....</b>	<b>100.00%</b>

\*2, 4-Dichlorophenoxyacetic acid equivalent.....5.74%

E. P. A. Registration No. 1706-107

**DIRECTIONS:** This product should not be applied directly but should be diluted by adding 8 gallons of Nalkil 2726 With Endrift to 30.5 gallons of phytotoxic oil vehicle and mix thoroughly. To control most weeds and grasses for extended periods on non-cropland areas such as industrial plant sites, parking lots, loading ramps and around storage buildings and similar non-crop areas apply 1.5 to 7 gallons per 1000 square feet of diluted Nalkil 2726 Liquid with Endrift after the most predominant weeds have emerged. Thoroughly wet weeds to point of run off. No agitation is required. Diluted Nalkil 2726 Liquid with Endrift can be applied with standard spray equipment. For treating small areas, a tank type hand sprayer or sprinkling can may be used. Apply when weeds are young and actively growing.

**NOTE:** Users should consult State Agricultural Experiment Stations or Extension Service Weed Specialists for recommendations as to use Nalkil 2726 With Endrift in their particular area or write Nalco.

**IMPORTANT:** Do not apply directly to, or otherwise permit Nalkil 2726 With Endrift or its diluted form to contact susceptible plants as this product may injure cotton, beans, peas, grapes, flowers, fruit trees, ornamentals, or other desirable plants. Avoid spray drift to such susceptible plants (coarse sprays are less likely to drift). Do not apply to areas underlaid by roots of desirable trees and shrubs. Vapors from this product may injure susceptible plants in the immediate vicinity. Thoroughly clean spray equipment with a suitable chemical cleaner before using for other purposes (or do not use same equipment for other purposes.) Do not store near fertilizers, seeds, insecticides or fungicides. Do not re-use this container.

Nalkil 2726 With Endrift is toxic to fish and wildlife. Do not contaminate any body of water. Do not apply when weather conditions favor drift from areas treated. Do not apply where runoff is likely to occur. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

**WARNING:** KEEP OUT OF THE REACH OF CHILDREN. HARMFUL IF SWALLOWED OR ABSORBED THROUGH SKIN, CAUSES SKIN IRRITATION. Do not get in eyes, on skin or on clothing. Avoid breathing of vapor. Do not use, pour, spill or store near heat or open flame. Wash thoroughly after handling. In case of contact, flush with large amounts of water; for eyes, get medical attention. Remove and wash contaminated clothing before re-use.
