

NACO

EPA REG. NO. 2124-781

MANEB 80 FUNGICIDE

ACTIVE INGREDIENT
 Maneb Manganese ethylene bis dithio carbamate 80%
 Inert Ingredients 16%
 TOTAL 100%

CAUTION! KEEP OUT OF REACH OF CHILDREN

HAZARDOUS TO BREATH, NOSE, THROAT, EYES AND SKIN. DO NOT BREATHE DUST OR SPRAY MIST. Wash thoroughly with water. If eyes splash copiously with water and get medical attention.

Do not use in areas where it may be inhaled. This may bring in chemical changes which will impair the fungicide. Do not use in areas where it may generate flammable vapors. Keep containers closed when not in use. Do not use in areas where it may be in contact with water. Do not apply where runoff is likely to occur. Do not apply where weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

GENERAL DIRECTIONS

Maneb 80 is a fungicide designed as an active ingredient for use in the control of various plant diseases. Use Maneb 80 in solution or as a dust. It may be used on a wide variety of other dosage levels. Apply a sufficient volume of water to thoroughly wet the plant parts to be treated. Use dilute sprays or concentrate ground or aerial sprays. Do not use in areas where it may be in contact with water or it should be pre-mixed in a nurse tank for concentration.

Apply to plants in the early stages of infection. Maneb 80 may be applied alone or with various other pesticides in a mixture. Do not use in areas where it may be in contact with water. For further details see recommendations for use on various crops in the State Agricultural Experiment Station spray schedules or State Agricultural Experiment Station publications. Do not use in areas where it may be in contact with water. Always observe the label directions for use of any other pesticides to avoid the possibility of phytotoxicity in excess of the label directions.

PRECAUTIONS

Do not use in areas where it may be in contact with water. Do not use in areas where it may be in contact with water.

Do not use in areas where it may be in contact with water. Do not use in areas where it may be in contact with water.

Do not use in areas where it may be in contact with water. Do not use in areas where it may be in contact with water.

Do not use in areas where it may be in contact with water. Do not use in areas where it may be in contact with water.

Do not use in areas where it may be in contact with water. Do not use in areas where it may be in contact with water.

Do not use in areas where it may be in contact with water. Do not use in areas where it may be in contact with water.

Do not use in areas where it may be in contact with water. Do not use in areas where it may be in contact with water.

Do not use in areas where it may be in contact with water. Do not use in areas where it may be in contact with water.
