

DIRECTIONS

For disinfecting floors, walls, and woodwork, mix 20 ounces (2½ cups) in a pail of water (12 quarts). Mop or swab solution so as to wet all surfaces.

For scrubbing, mix 8 ounces (1 cup) in a pail of water (12 quarts). Apply so as to wet all surfaces.

For 1 and 5-gallon containers: rinse empty container thoroughly with water and discard. For larger containers: return empty container to drum reconditioner or destroy by perforating or crushing and bury in safe place.

DANGER:

KEEP OUT OF REACH OF CHILDREN AND DOMESTIC ANIMALS.

May be fatal if swallowed or absorbed through the skin.

Do not get in eyes, on skin, or on clothing.

May produce severe burns.

Wash thoroughly after handling.

Avoid contamination of feed and foodstuffs.

FIRST AID: In case of contact, wash thoroughly with plenty of water. For eyes, get medical attention. If swallowed, drink milk, egg white, rice, gruel or cornstarch paste. Call a physician immediately.
