GRUBS - ADDITION OF WORD TO BAG

WHITE GRUBS OF JAPANESE BEETLE and EUROPEAN CHAFER - Apply the contents of this bag on 2,000 SQ. FT. OF LAWN. Water grass thoroughly AFTER application. Make this application any time between late July and early October.

SAFETY IN USE OR REACH OF CHILDREN

May be used by children 12 years of age or older. Do not allow children to handle bag until thoroughly sterilized.

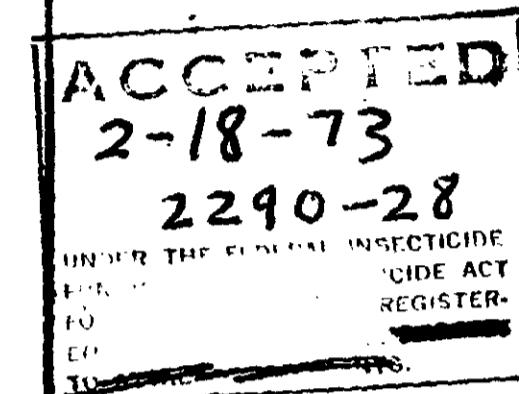

Keep away from eyes and mouth until the insecticide has been applied.

Avoid contact with skin and clothing. If contact occurs, wash with soap and water. If irritation persists, seek medical help.

Do not eat or drink after use of compound. If you feel sick, call a doctor.

Apply to grass only. Do not apply to flowers, trees, shrubs, or other valuable plants.

WARNING: This product contains no warning or hazard statement concerning the product, or its use, other than the one on the container of the bag. It is the responsibility of the user to interpret this information.
