NET CONTENTS _____

WARNING: KEEP OUT OF REACH OF CHILDREN.

KEEP AWAY FROM DOMESTIC ANIMALS AND FOODSTUFFS.

This product is toxic to fish. Do not contaminate water by cleaning of equipment, or disposal of wastes.

May cause irritation of nose, throat and skin. May be harmful if inhaled or swallowed. Do not breathe dust or spray mist. Use with adequate ventilation. Do not get in eyes, skin or on clothing. Wash thoroughly after handling.

Consumption of alcoholic beverages increases the possibility of harm.

Do not reuse empty container. Destroy empty container by perforating or crushing and burying in a safe place.

DIRECTIONS FOR USE

Aceto Thiram 75W is an effective, economical preventive and curative turf fungicide for Brown Patch, Dollar Spot and Snow Mold.

PREVENTIVE TREATMENT: For Brown Patch and Dollar Spot - Use 3 ozs. of Aceto's Thiram 75W per 1000 sq. ft. at 7 day intervals throughout April to September. For Snow Mold - When used late in fall before first snow, use 8 ozs. per 1000 sq. ft. For spring applications, use 3 ozs. per 1000 sq. ft. as soon as snow thaws.

CURATIVE TREATMENT: For Brown Patch and Dollar Spot - Use 6 ozs. per 1000 sq. ft. Begin application when disease is first noticed.

To give complete coverage of area to be treated, apply Aceto's Thiram 75W with 5 to 10 gallons of water per 1000 sq. ft. Pressure sprayers or proportioners may be used.

Aceto's Thiram 75W is insoluble in water and tends to settle out unless agitated. Constant agitation is necessary to keep Aceto's Thiram in suspension.

Do not cut or water grass after application until the fungicide is thoroughly dry.
