

DESCRIPTION

OSMOPLASTIC-B is a water-soluble, non-toxic wood preservative. It is used to protect wood from decay, insect damage, and other wood-boring organisms. It is suitable for use on all types of wood, including softwoods and hardwoods. It is applied by spraying, brushing, or dipping. It is available in a concentrate form for dilution with water.

DIRECTIONS FOR USE

For general use, dilute with water according to the label instructions. For heavy-duty use, use a higher concentration. Apply to all surfaces of the wood, including end grain. Allow the wood to dry completely before use. Do not use on painted or treated wood.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place. Do not store near heat or open flame. Do not use if the container is damaged or leaking.

PESTICIDE DISPOSAL: Do not discharge into lakes, streams, ponds, estuaries, oceans, or public waters. Do not discharge into sewer systems without previously notifying the sewage treatment plant authority.

MANUFACTURER'S NAME: Osmose Wood Preserving, Inc.

NOTE TO USER: Read the entire label before use.

RESTRICTED USE PESTICIDE

For sale to and use only by Certified Applicators or persons under their direct supervision, and only for those uses covered by the Certified Applicator's certification.

GROUNDLINE TREATMENT FOR ALL STANDING POLES

OSMOPLASTIC-B
WOOD PRESERVING COMPOUND

KILLS EXISTING FUNGUS ORGANISMS INHIBITS NEW FUNGUS GROWTH

ACTIVE INGREDIENTS

Sodium ferric citrate dihydrate	15.0%
Permethrin	15.0%
Permethrin	8.9%
Other inert ingredients and related compounds	1.1%
INERT INGREDIENTS	60.0%
TOTAL	100.0%

*Equivalent to 10% technical pentachlorophenol as determined by Federal Specifications TT-W-570

KEEP OUT OF REACH OF CHILDREN
DANGER

CONTAINS PETROLEUM DISTILLATES
STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.

IF INHALED: Remove victim to fresh air. Apply respiration if indicated. Call a physician immediately.

IF ON SKIN: Remove contaminated clothing and wash affected area with soap and water.

IF IN EYES: Flush eyes with plenty of water. Call a physician immediately. Avoid contact with eyes. If contact with eyes occurs, avoid contact with eyes. If contact with eyes occurs, avoid contact with eyes.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS
DANGER

CONTAINS PETROLEUM DISTILLATES

Harmful or fatal if swallowed, inhaled or absorbed through the skin. Causes eye and skin irritation. Do not breathe vapors or spray mist. Use only with adequate ventilation. Do not get in eyes, on skin, or on clothing. Wash thoroughly after handling and before eating or smoking. Wear protective clothing and rubber gloves when handling this material or freshly treated lumber. May cause severe burns.

Applicators must wear gloves impervious to the wood treatment formulations (e.g., polyvinyl acetate (PVA), polyvinyl chloride (PVC), or neoprene) in all situations where dermal contact is expected (e.g., during the actual application process and when handling freshly treated wood).

Applicators must wear long sleeved shirts, long pants, and an impermeable apron during the application and mixing processes and all situations where dermal contact is expected.

Work clothing must be changed when it shows signs of contamination. Launder work clothing separately from other household laundry. Dispose of worn-out work clothing and workshoes or boots in any general landfill, in the trash, or in any other manner approved for pesticide disposal.

Applicators must not eat, drink, or use tobacco products during those parts of the application process that may expose them to the wood treatment formulation.

Wash thoroughly after skin contact and before eating, drinking, use of tobacco products, or using restrooms.
Do Not Take Internally

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent to sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional office of the EPA.

PHYSICAL OR CHEMICAL HAZARDS

Do not use, pour, spill or store near heat or open flame

The registrant has complied with all terms and conditions of the registration governing the composition of this product as approved by the United States Environmental Protection Agency under section 3 of the Federal Insecticide, Fungicide, and Rodenticide Act. The use of this product for any purpose other than those stated on the label, including use of this product in the manufacture or formulation of other pesticide products or in repacking of the product is prohibited.
