**CAUTION**  
**STATEMENT OF PRACTICAL TREATMENT**  
 If swallowed Call a physician immediately. DO NOT INDUCE vomiting without the advice of a physician. Vomiting may cause aspiration pneumonia. If it is necessary to induce vomiting, give victim one or two glasses of water and insert finger in back of throat. Repeat until vomit fluid is clear. Do not induce vomiting or give anything by mouth to an unconscious person.  
 If inhaled Remove victim to fresh air. Apply respiration if indicated.  
 If on skin Wash immediately with soap and water.  
 If in eyes Flush eyes for at least 15 minutes with water. Call a physician immediately.  
 See label back panels for additional precautionary statements.

**PRECAUTIONARY STATEMENTS HAZARDOUS TO HUMANS & DOMESTIC ANIMALS CAUTION**  
 Harmful to aquatic life. Avoid breathing vapors. If spray mist. Contains petroleum distillate. If swallowed do not induce vomiting. Get medical attention. Avoid contact with skin and eyes. In case of contact immediately flush eyes with plenty of water. Obtain medical attention if irritation persists. Do not apply directly to food. Do not use on food processing surfaces. Thoroughly wash and rinse with potable water all food processing surfaces before reuse. After spraying in meat processing plants, buffets and the food processing plants, wash and rinse with potable water all equipment, benches, shelving, etc., where exposed food will be handled. Food processing operations have to be stopped while applying a wet spray with care and in accordance with the directions and cautionary statements. Remove pets, birds and other fish aquariums before spraying.  
 Do not remain in treated areas and ventilate the area after treatment is completed.

**ENVIRONMENTAL HAZARDS**  
 This product is toxic to fish, birds and other wildlife. Do not apply directly to water. Do not contaminate water by spraying, transporting or disposing of wastes. Apply this product only as specified on this label. Keep out of flowing streams, creeks, ponds. Do not apply where runoff is likely to occur.

**PHYSICAL OR CHEMICAL HAZARDS**  
 DO NOT spray in or near fire or open flames. DO NOT smoke while spraying.

**DIRECTIONS FOR USE**  
 It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**STORAGE AND DISPOSAL**  
**PROHIBITIONS** Do not contaminate water, food or feed by storage or disposal. Clean spills, leaks & drips immediately.  
**STORAGE** Store in a cool, dry place away from children.  
**PESTICIDE DISPOSAL** Wastes resulting from the use of this product may be separated into one of the following categories:  
**GLASS CONTAINERS** Triple rinse and reuse for non-food uses only. Do not reuse for food or other uses.  
**METAL CONTAINERS** Triple rinse and reuse for non-food uses only. Do not reuse for food or other uses.  
**PLASTIC CONTAINERS** Triple rinse and reuse for non-food uses only. Do not reuse for food or other uses.  
**GENERAL** Clean Federal State or local authorities for approved alternative procedures.

**DIRECTIONS (Continued)**

**FLYING INSECTS**  
**FLIES MOSQUITOES GNATS** Direct the spray toward the upper portions of the enclosure and let the atmosphere with mist using 2 to 3 ounces of the product to each 1000 cubic feet of space. If possible keep the doors and windows closed for 10 minutes after applying the spray.

**CRAWLING INSECTS**  
 (Exposed or accessible stages)  
**ROACHES SILVERFISH SPIDERS** Spray infested areas thoroughly and direct the liquid behind baseboards, moldings, cabinets, shelves, under door and window frames and pipes, toward drains and dark corners and into cracks, crevices, recesses and similar hiding places. Repeat as needed.  
**ANTS** Treat shelves, cabinets and storage areas. Spray along walls, baseboards, thresholds and other places of entry, and treat nests liberally.  
**FLEAS TICKS** Direct the spray toward lower wall portions, baseboards, rugs, carpets and floors of infested areas. Spray animal quarters, kennels and the bedding of pets and other domestic animals.  
**BE BUGS** Apply liberally to top ends, sides and bottom of mattresses, spraying all tufts, seams and folds. Spray springs and frame directing the liquid into all cracks, crevices and joint joints. Spray walls, baseboards, moldings, floors, closets and bedroom furniture with special attention to protected bedbug hiding and breeding places.

**CLOTHES MOTHS and CARPET BEETLES:**  
 Remove infested articles from storage. Brush thoroughly and, if possible, for several hours in direct sunlight. Apply spray liberally to all surfaces of empty chests, closets, bureaus and storage, directing the liquid into cracks, joints and crevices. After spray, infested articles may be treated by holding the spray nozzle at least 3 feet away from the fabric and applying the liquid lightly to avoid the possibility of staining. Treat both sides of rugs, carpets and pads and all exposed and accessible surfaces of over-stuffed furniture. Repeat application in 30 days for susceptible articles not stored in moisture containers.

**STORED FOOD PESTS** (Exposed stages of granary weevil, rice weevil, confused flour beetle, spider beetles, angoumois grain moth, meal worms, Mediterranean flour moth, cigarette beetle, drug store beetle, arizonea, sawtooth, grain and cheese moths). To avoid sources of reinfestation, carry flour, grain and cereals which will be distributed before treatment. Spray thoroughly all surfaces (if shelves, bins, shelves, cabinets, drawers, barrels and similar storage), with special attention to cracks, crevices, corners and other hiding places.
