MAR 18 1985  
Under the Federal Insecticide,  
Fungicide, and Rodenticide Act,  
as amended, for the pesticide  
registered under  
EPA Reg. No. 3624-6

# NOVASPRAY 15

## ACTIVE INGREDIENTS: 100%

Technical Piperonyl Butoxide*	0.75%
Pyrethrins	0.15%
Petroleum Distillate	99.10%

\*Equivalent to 0.60% of (butylcarbityl) (6-propylpiperonyl) ether and 0.15% of related compounds.

### KEEP OUT OF THE REACH OF CHILDREN CAUTION

#### STATEMENT OF PRACTICAL TREATMENT

If swallowed—Call a physician immediately. DO NOT INDUCE vomiting without the advise of a physician. Vomiting may cause aspiration pneumonia. If it is necessary to induce vomiting, give victim one or two glasses of water and insert finger in back of throat. Repeat until vomit fluid is clear. Do not induce vomiting or give anything by mouth to an unconscious person.

If inhaled—Remove victim to fresh air. Apply respiration if indicated.

If on skin—Wash immediately with soap and water.

If in eyes—Flush eyes for at least 15 minutes with water. Call a physician immediately.

See side/back panels for additional precautionary statements.

**NOVA PRODUCTS, INC.**  
800 HICKORY • KANSAS CITY, MISSOURI 64101

### DIRECTIONS FOR USE (continued)

#### FLYING INSECTS

**FLIES, MOSQUITOES, GNATS:** Direct the spray toward the upper portions of the enclosure and fill the atmosphere with mist, using 2 to 3 ounces of the product to each 1000 cubic feet of space. If possible, keep the doors and windows closed for 10 minutes after applying the spray.

#### CRAWLING INSECTS (Exposed or accessible stages)

**ROACHES, SILVERFISH, SPIDERS:** Spray infested areas thoroughly and direct the liquid behind baseboards, moldings, cabinets, shelves, sinks, door and window frames and pipes toward drains and dark corners, and into cracks, crevices, recesses and similar hiding places. Repeat as needed.

**ANTS:** Treat shelves, cabinets and storage areas. Spray ant runs, trails, baseboards, thresholds and other places of entry, and treat nests liberally.

**BEES, TICKS:** Direct the spray toward lower wall portions, baseboards, rugs, carpets and floors of infested areas. Spray animal quarters, kennels and the bedding of pets and other domestic animals.

**BEDBUGS:** Apply liberally to top, ends, sides and bottom of mattresses, spraying all tufts, seams and folds. Spray springs and frame, directing the liquid into all cracks, crevices and lock joints. Spray walls, baseboards, moldings, floors, closets and bedroom furniture with special attention to protected bedbug hiding and breeding places.

**CLOTHES MOTHS and CARPET BEETLES:** Remove infested articles from storage, brush thoroughly and, if possible, air several hours in direct sunlight. Apply spray liberally to all surfaces of empty chests, closets, bureaus and storages, directing the liquid into cracks, joints and crevices. After airing, infested articles may be treated by holding the spray nozzle at least 3 feet away from the fabric and applying the liquid lightly to avoid the possibility of staining. Treat both sides of rugs, carpets and pads and all exposed and accessible surfaces of over stuffed furniture. Repeat application in 30 days for susceptible articles not stored in mothlight containers.

**STORED FOOD PESTS** (Exposed stages of flour beetles, weevils, cadellies, grain beetles, meal worms, meal moths, skippers, grain and cheese mites). To avoid sources of reinfestation, wormy flour, grain and cereals should be destroyed before treatment. Spray thoroughly all surfaces of shelves, bins, cupboards, cabinets, pantries, lockers and similar storages, with special attention to cracks, niches, crevices and other hiding places.

**PRECAUTIONARY STATEMENTS  
HAZARDOUS TO HUMANS & DOMESTIC ANIMALS  
CAUTION**

Harmful if swallowed. Avoid breathing vapors or spray mist. Contains petroleum distillate. If swallowed do not induce vomiting. Get medical attention. Avoid contact with skin and eyes. In case of contact, immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists. Do not apply directly to food. Cover or remove all food processing surfaces. Thoroughly wash and rinse with potable water all food processing surfaces before reuse. After spraying in meatpacking plants, bakeries and the food processing plants, wash and rinse with potable water all equipment, benches, shelving, etc., where exposed food will be handled. Food processing operations have to be stopped while applying a wet spray with care and in accordance with the directions and cautions given above. Do not use in serving areas while food is exposed. Remove pets, birds and cover fish aquariums before spraying.

Do not remain in treated areas and ventilate the area after treatment is completed.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish, birds and other wildlife. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label. Keep out of lakes, streams, or ponds. Do not apply where runoff is likely to occur.

**PHYSICAL OR CHEMICAL HAZARDS**

DO NOT spray into or near fire or open flames. DO NOT smoke while spraying. DO NOT use, pour, spill, or store near heat or open flame.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**STORAGE AND DISPOSAL**

**Prohibitions:** Do not contaminate water, food, or feed by storage or disposal.

Open dumping is prohibited.

**Storage:** Store in a cool, dry place. Keep container closed.

**Pesticide Disposal:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**Glass Containers—**Triple rinse (or equivalent). Then dispose of in a sanitary landfill, or by other approved state and local procedures.

**Metal Containers—**Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities.

**Plastic Containers—**Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

**General:** Consult Federal, State or local disposal authorities for approved alternative procedures.
