EPA Registration No. 3696-127

Date Issued: July 19, 1984

Company Name: Texize Division of Morton Thickol, Inc.

Product Name: 5-3000C Pine Odor Disinfectant

The following requirements or revisions apply to the label which was accepted with this registration notice:

- 1. The registration number which has been assigned to this product must appear on the label as SPA Registration No. 3696-127.
- 2. This registration is being issued with the understanding that at such time as the proposed rules for the labeling of pine oil containing products are finalized and released to the Industry, the front panel labeling for this product will be qualified to describe its pattern of use as either a limited disinfectant effective only against infectious bacteria commonly associated with the intestional tract or human waste or as a limited disinfectant which kills odor-causing germs for use in areas or on sites where odor-causing germs are a problem.
- 3. The labels which will be used for this product in channels of trade must reflect these revisions.
- 4. Pive copies of the finished printed labels, as defined in the A-79 enclosure, must be submitted to the Agency before the product is released for shipment to comply with PR Notice 82-2 of June 18, 1982.
- 5. The finished printed labels must comply with the general labeling requirements of Section 162.10 of Title 40 of the Code of Pederal Regulations. Pailure to do so may result in rejection of the labels.
