

BETZ

FORMULA

WX

WARNING—TOXIC—HARMFUL IF SWALLOWED. Do not breathe dust. Irritating to eyes, throat and lungs. May be absorbed by skin. Causes skin irritations. Do not get into eyes, on skin or clothing. Wear rubber gloves when handling. In case of contact with skin, wash well with soap and water. In case of contact with eyes, flush promptly and thoroughly with clear water. In case of ingestion or contact with eyes, secure immediate medical attention.

DIRECTIONS FOR USE—Betz Algicide WX-P aids in the control of bacteriological slime and algae growths in industrial recirculating cooling water equipment.

Feed Algicide WX-P intermittently at rates of 0.5-1.5 pounds per thousand gallons water contained in the system. The frequency of feeding and the amount of treatment are dependent on observation of slime and algae conditions and type of system, and may vary from every few hours to several weeks.

FOR INDUSTRIAL USE ONLY. Use only as directed by BETZ.
