**BUG
PROOF**

Shelf Paper

**Kills Roaches,
Ants, Silverfish**

Use Pretty Please Bug-Proof Shelf Paper to line drawers, shelves and cabinets, in and around garbage storage areas, under sinks and in broom closets. Leave some of the paper's surface exposed so insects may contact the treated paper. Replace after potency seems to have diminished.

Do not place wrapped or unwrapped food or food utensils on the treated paper. Do not use in areas where food is prepared or served.
