PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**CAUTION**

Harmful if swallowed. Contains petroleum distillate. Do not induce vomiting because of aspiration pneumonia hazard. Do not breathe vapors or spray mist. Causes slight eye irritation. Do not get in eyes. Avoid contact with skin and clothing. Wash contaminated skin promptly with soap and warm water. Avoid contamination of food and feedstuffs.

Do not use in commercial food processing, preparation, food storage or serving areas. In the home, all food processing surfaces and utensils should be covered during treatment, or thoroughly washed before use. Exposed food should be covered or removed.

Remove pets, birds, and cover fish aquariums before spraying.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and other aquatic invertebrates. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Keep away from heat, sparks, and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130 F may cause bursting.

DIRECTIONS FOR USE

This aerosol product is designed for use indoors, such as attics and other places where nests are built, or outdoors. It will kill Wasps, Hornets, Yellow Jackets, and Bees. It will shoot a 10 foot stream.

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

FOR CONTROL OF WASPS, HORNETS, YELLOW JACKETS AND BEES: Aim spout/nozzle at the nest, crevice or hole where infestation or insects are known to be inside and depress the button. Continue to spray until the nest is soaked with the insecticide. Repeat as necessary. It is preferable to apply this product after dark when all the insects have returned to the nest. When using this product, always try to keep the wind at your back.

STORAGE AND DISPOSAL

STORAGE: Store upright in a cool, dry area away from heat or open flame. Keep out of reach of children. If container is damaged and leaking, allow contents to dissipate out of doors. DISPOSAL: Do not reuse empty container. Replace cap and wrap container and discard in trash. Do not incinerate or puncture. Do not contaminate water, food or feed by storage or disposal.
