THE BARCOLENE COMPANY, HOLLAND, MASS. 01901
MADE IN U.S.A.

WARNING

Do not use near fire, sparks, or flame. Do not puncture or incinerate container. Exposure to temperatures above 130 F. may cause bursting. Avoid contact with food. Do not spray in face or eyes. May cause eye damage. In case of eye contact, flush with water and get medical attention. Contents may be harmful if swallowed.

Do not spray on polished wood, acrylic or nylon.

Use as directed to disinfect influenza virus A2 and strep and staph germs on environmental surfaces.

Use to eliminate cooking odors, bathroom odors, and smoke. Use to disinfect toilet seats, empty garbage pails, hard surfaces in damp areas such as cellars or areas under sink, hard surfaces in musty areas such as attics and closets, laundry room, pet areas and telephone. Remove gross filth from garbage pails prior to treatment.

DIRECTIONS:

EPA REG. NO. 4206-30
EPA EST. 33763 MA-1

- 1. TO DISINFECT:** Hold can upright, 6" to 8" from surface two to three seconds until surface is covered with a mist.
- 2. TO DEODORIZE:** Spray for one to two seconds in center of room.
- 3. TO CONTROL MOLD AND MILDEW:** Clean surface to be treated prior to application. Spray surface two to three seconds until covered with a fine mist. Use on fabrics, painted walls, ceilings, floors, painted wood surfaces, metal, glass, tile, porcelain and plastic. Repeat application in seven days as necessary to maintain control.
