 REREGISTRATION

(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

NAME OF PESTICIDE PRODUCT

#107 Lynde-San

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Lynde Company
100 East Henry, 11th Avenue
Washington, D.C. 20013

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Sanitizing of Food Processing Equipment and Other Hard Surfaces in Food Contact Locations. For sanitizing food processing equipment, dairy equipment, food utensils, dishes, silverware, glass, and toys, countertops, refrigerated storage and display equipment and other hard non-porous surfaces. Possible water stress is required.

Wash and rinse all of them thoroughly, then apply a solution of 1 oz #107 LYNDE-SAN in 4 gallons of water (100ppm solution). Surfaces should remain wet for at least one minute. Fresh solution should be prepared daily or when the solution becomes visibly dirty. For mechanical application, use instructions may call for sanitizing operations.

Apply to one tape, counter tops, refrigerated storage and display equipment and other stationary hard surfaces by cloth or brush or mechanical spray device. Possible water stress is required.

Dishes, silverware, glassware, cooking utensils and other similar use food processing equipment can be sanitized by immersion in a 1 oz/4 gallon solution of #107 LYNDE-SAN. Possible water stress is required.

All 1 quart gallons #107 LYNDE-SAN meets the criteria of Appendix F of the Code of Federal Regulations (21 CFR 170.101) and the requirements of the U.S. Public Health Service in regard to up to 200 ppm of benzene calculated as C₆H₆, when evaluated by the AOAC Germicide and Osmogest Sanitizer Method against *Escherichia coli* and *Staphylococcus aureus*.

The udders, teats and teats of dairy cows can be sanitized by washing with a solution of 1 oz #107 LYNDE-SAN in 4 gallons of water twice. The possible water stress is required. Use a fresh towel for each cow. Avoid contamination of sanitizing solution by dirt and milk. Do not dip used towel back into sanitizing solution. When solution becomes visibly dirty, discard and provide fresh solution.

Precautionary Statements

Hazards to Humans and domestic animals

DANGER

Keep out of reach of children. Corrosive. Causes eye and skin irritation. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful if swallowed. Do not breathe spray mist. Avoid contamination of food.

STORAGE AND DISPOSAL

- Do not contaminate water, food, or feed by storage or disposal.
- Do not store on side.
- Avoid crossing or impacting of side walls

PESTICIDE DISPOSAL

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray or mixture of waste is a violation of Federal Law. If these wastes cannot be disposed of by you according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL

Triple rinse (or equivalent). Then offer for recycling or reconditioning or, rupture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, burn. If burned, stay out of smoke. (If container is 1 gallon or less, use this container disposal statement.) Do not reuse empty containers for food, drink, or other purposes. Wash containers and put in trash.

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No. 4591-74
