DIRECTIONS FOR USE

APEX MOTH CRYSTALS or NUGGETS, when used as directed, evaporate into an invisible vapor which penetrates all

porous materials thus killing all moth and carpet beetle life.

STORAGE: Thoroughly brush articles before storing away. Sprinkle **APEX MOTH CRYSTALS or NUGGETS** between folds of woolsens, blankets, furs, etc., at the rate of 1 pound for every 100 cubic feet of tightly enclosed space. Area under fumigation should be kept tightly closed at all times and for at least 7 days after addition of this product. If container is opened add more **APEX MOTH CRYSTALS or NUGGETS** and reseal.

CLOSETS: Hang vaporizer filled with **APEX MOTH CRYSTALS or NUGGETS**, at same rate recommended for **STORAGE**, above garments as vapor is heavier than air. (The **APEX MOTH VAPORIZER** is scientifically designed for moth protection of closets.) Keep closet closed at all times to achieve necessary saturation of moth killing vapor. If closet is opened, add more **APEX MOTH CRYSTALS or NUGGETS** and close tightly.

FOR RUGS, UPHOLSTERED FURNITURE: Spread **APEX MOTH CRYSTALS or NUGGETS** liberally over fabric. **FURNITURE:** Enclose tightly, in heavy paper so fumes cannot escape. **RUGS:** Roll and seal in heavy paper, or cover with heavy paper and seal around edges.

CARPET BEETLES: **APEX MOTH CRYSTALS or NUGGETS** used as per directions for control of

APEX[®]

MOTH NUGGETS

CAUTION: May Be Harmful If Swallowed. Contains Paradichlorobenzene. Keep Out of Reach of Children.

CARPET BEETLES

DEODORIZES

APEX MOTH CRYSTALS or NUGGETS are a 100% active ingredient and will kill all stages of moth and carpet beetle life when used according to directions. **MILDEW CONTROL:** **APEX MOTH CRYSTALS or NUGGETS** will help protect cotton, leather, woolsens, paper and other materials from mildew attack. Sprinkle **APEX** on and through articles (one pound per 100 cubic feet) wrap and store. Area under fumigation should be kept tightly closed at all times and for at least 7 days after addition of this product. **FOR DEODORIZING:** **APEX MOTH CRYSTALS or NUGGETS** are also efficient as a deodorizer to overcome unpleasant odors in the home, store, office, etc. Just sprinkle around.

APEX LEAVES NO ODOR — the odor quickly disappears from fabrics in the open air.

APEX IS HARMLESS to any natural material, fur or feathers.

KEEP IN COOL PLACE. Heat will solidify **APEX MOTH CRYSTALS or NUGGETS**, but **APEX** will always keep its full strength.

If crystals or nuggets solidify just break up the crystals.

USE APEX MOTH CAKES FOR GARMENT BAGS.

USE APEX MOTH VAPORIZERS FOR CLOSETS.

USE APEX MOTH MYST FOR SPRAYING RUGS, FURNITURE, CLOTHES, etc., every 3 months. **MOTHS DO DAMAGE ANYTIME THE INSIDE TEMPERATURE IS OVER 50° SO ALL CONTAINERS MUST BE KEPT FILLED.**

A CLEAN HOME PRODUCT
