

WARNING

May be fatal if swallowed ! May be absorbed through skin ! Do not breathe dust. Avoid contact with skin and eyes. Wash thoroughly after handling. In case of contact, wash immediately with soap and water; for eyes, flush with water and get medical attention. Avoid contamination of feed and foodstuffs.

CAUTION: This product is toxic to fish and wild-life. Keep out of any body of water. Treated seeds exposed on soil surface may be hazardous to birds and other wildlife. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

Burn bags when empty; never re-use. Keep out of smoke. Bury any spillage in non-crop areas away from water supplies.

SEED TREATMENT - For protection of germinating seeds and seedlings against wireworms, treat seed immediately before planting with 25% Lindane Seed Treater at the rates given below. The seed and the Lindane should be thoroughly mixed; a small quantity of water (1/4 pint per bushel of seed) may be added to aid in sticking the Lindane to the seed. Plant immediately after treating. **DO NOT USE TREATED SEED FOR FEED, FOOD OR OIL PURPOSES.** Treated seeds exposed on

25% LINDANE SEED TREATER

For Protection of Germinating Seeds and Seedlings
Against Wireworms
