## ZONE CONTROL

To effectively control fleas, you may be required to treat three insect zones where fleas can live. These zones are the pet, the home, and the yard. FLEA STOP FLEA AND TICK SPRAY treats the pet insect zone. For treatment of the home and yard, you can buy other FLEA STOP zone control products. Ask your pet care professional for specific recommendations on how to best control fleas for the comfort and well being of your pet and family.

### PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS CAUTION

Do not get in eyes or on clothing. Harmful if swallowed. Avoid breathing vapors. Caution should be exercised when using on nursing animals. Do not use on animals under 6 weeks of age. Some individuals and pets may be sensitive to this product. Discontinue use if irritation develops. Wash hands with soap and water after using. May be used in conjunction with organophosphates and carbamate based insecticides. Does not inhibit acetylcholinesterase activity.

### STATEMENT OF PRACTICAL TREATMENT

If swallowed: Call a physician or Poison Control Center. It is preferable to induce vomiting under medical supervision because of aspiration hazard; otherwise give glass of water and induce vomiting by touching finger to back of throat.  
If on skin: Wash off with soap and water. Get medical attention if irritation develops.

If in eyes: Flush with plenty of water. Get medical attention if irritation persists.

### PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130 F. may cause bursting.

### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.  
Hold tip of nozzle 4-6 inches from animal. Direct spray into hair. To insure penetration of skin, stroke against lay of hair. Be sure to include legs and feet. Do not spray near animal's eyes or on genital area, to avoid irritation. Spray animal's bedding to help control fleas. May be used as needed.

### STORAGE AND DISPOSAL

**Storage:** Do not use or store near heat or open flame.

**Disposal:** Do not reuse empty container. Wrap empty container and place in trash collection.
