DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

3/4.

- 1. (Separate the two units.) (Remove backing (cardboard) label from unit using pull tab.) Slowly remove foil label from the (fragrance) cartridge using peel tab. Do not remove or puncture white (clear) film protecting (colored) (fragrance) concentrate (gel). This film controls the release of concentrated (freshening) (protection) ingredients. (Insert cartridge into holder unit.)
- This product can be placed inside drawers and storage boxes or hung in closets. Use one unit in smaller (average size) closets, drawers or boxes, two in larger closets, drawers or boxes (and close tightly). Important: For maximum effectiveness, closets, drawers or boxes must be kept as air tight as possible. Dry clean clothes (garments) (fabrics) before storing (Clean clothes (garments) (fabrics) before storing).
- 3. When the (fragrance) concentrate (gel) dries and cracks (turns to powder), this signals replacement time (for the cartridge). (Replace all (name) (units) every (one) (two) (three) (four) months (season). Replace stored units every season.

STORAGE: Store in a cool area away from children.

DISPOSAL: Wrap and put in trash collection.
