

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:

Date of Issuance:

4822-450

FEB 24 1998

Term of Issuance: Conditional

NOTICE OF PESTICIDE:
 Registration
 Reregistration

Name of Pesticide Product:

Raid Yard Guard
Outdoor Fogger
Formula VII

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

S.C. Johnson & Son, Inc.
1525 Howe Street
Racine, WI 53403-2236

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the labeling changes listed below before you release the product for shipment:

a. Add the phrase "EPA Registration No. 4822-450".

b. Revise the Hazards to Humans and Domestic Animals section to read "Harmful if absorbed through skin and inhaled. Avoid contact with eyes, skin or clothing. Avoid breathing vapor. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. Do not use on edible crops."

Signature of Approving Official:

Date:

c. Under the Statement of Practical Treatment, you may wish to delete the IF SWALLOWED and IF IN EYES statements since the toxicity categories are IV and these statements are not required. Make the following revisions "IF ON SKIN: Wash with plenty of soap and water. Get medical attention. IF INHALED: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention."

d. Revise the Enviromental Hazards statement to read "This pesticide is toxic to fish. Do not apply directly to any body of water. Do not contaminate water when disposing of equipment wastewaters."

e. Delete the advertising claims "The Off you don't put on" and "Sprays out far beyond ordinary insect sprays". Vague or non-specific terms implying unstated benefits and false or misleading comparisons with other pesticides are unacceptable.

3. Submit two (2) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

INERT INGREDIENTS.....	99.632%

Contains sodium nitrite

*cis/trans isomer ratio: min. 35% (+/-) cis and **max.** 65% (+/-) trans

KEEP OUT OF REACH OF CHILDREN

CAUTION

SEE ADDITIONAL PRECAUTIONARY STATEMENTS ON BACK

NET WT. 4 OZ. to 27 OZ.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE BEFORE USING

Direct spray toward area being treated. Point nozzle away from face, other people, and animals. Hold can on slight downward angle. For best results, spray when air is calm. Allow a few minutes for product to take effect. Spray articles in the area like foliage and legs of furniture in addition to spraying air and allowing to settle. Spray from center when not breezy. Spray with wind if breeze is blowing.

- SPRAY FROM CENTER WHEN NOT BREEZY (graphic)
- SPRAY WITH WIND IF BREEZE IS BLOWING (graphic)
- SPRAY ON FURNITURE LEGS AND FOLIAGE* (graphic)

FLYING INSECTS: Flies, mosquitoes, gnats, small flying moths, wasps and hornets. Allow fog (spray) to drift over area. Direct fog (spray) toward bushes or grass from at least 4 to 6 feet away. Give special attention to breeding areas such as garbage cans and compost piles. Repeat as necessary.

CRAWLING INSECTS: Ants, crickets, centipedes. Spray infested surface of deck, patio or picnic area, hitting as many insects as possible. Also spray legs of tables and chairs to repel ants and crawling insects. Spray ant hills for best control. *Keep 4 to 6 feet away from ornamental plants while spraying.

STORAGE AND DISPOSAL

STORAGE: Store in an area inaccessible to children.

DISPOSAL: Wrap container in several layers of newspaper and discard in trash.

[Per PR Notice 94-2 the following Disposal statement, or a variation which does not alter its intent, may be used:

Disposal: This container may be recycled in the few but growing number of communities where (steel) aerosol can recycling is available. Before offering for recycling, empty the can by using the product according to the label. (DO NOT PUNCTURE!) If recycling is not available, wrap in several layers of newspaper and discard in trash.]

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Caution: Keep out of reach of children. Avoid contact with eyes, skin, or clothing. Avoid breathing mist. May be harmful if swallowed, inhaled, or absorbed through skin. Cover or remove exposed foods. Avoid contamination of cooking utensils and food preparation surfaces. Do not use on edible crops. Wash hands thoroughly after using. Do not apply to humans or pets.

FIRST AID

IF SWALLOWED: Call a doctor or Poison Control Center.

IF ON SKIN: Remove with plenty of water. If irritation persists, seek medical attention.

IF IN EYES: Flush with plenty of water. If irritation persists, see medical attention.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Keep out of lakes, ponds, or streams. Do not apply directly to water.

PHYSICAL OR CHEMICAL HAZARDS

CONTENTS UNDER PRESSURE. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting.

CONTAINS NO CFCs OR OTHER OZONE DEPLETING SUBSTANCES. FEDERAL REGULATIONS PROHIBIT CFC PROPELLANTS IN AEROSOLS
