MANUFACTURING CHEMISTS  
**CLEAR POOL - 2**

(A concentrated swimming pool algaecide). For control of algae slimes. To reduce chlorine demand. To keep pool water clear and free of growing algae.

Active Ingredients	
n-Alkyl (80% C 14, 30% C 16, 5% C 12, 5% C 18)	
dimethyl benzyl ammonium chlorides	1.00%
n-dialkyl (80% C 14, 30% C 16, 5% C 12, 5% C 18)	
methyl benzyl ammonium chlorides	1.00%
Inert Ingredients	98.00%
	100.00%

CLEAR POOL - 2 is a concentrated algaecide.

**DANGER**  
**KEEP OUT OF REACH OF CHILDREN**  
Harmful if swallowed. Highly concentrated. Not a foodstuff. Avoid contamination of food.  
(Refer to back panel for additional warnings.)

## CLEAR POOL - 2

### DIRECTIONS FOR USE

**INITIAL DOSE:** 1 gal. for each 50,000 gals. water.

**CONTINUING DOSE:** 1 quart for each 50,000 gals. water; every 4-5 days — in warm, sunny or humid weather; every 7 days or more frequently in cool or cloudy weather.

**BOOSTER DOSE:** Add 1 quart for each 50,000 gals. water after a heavy or prolonged rainfall.

CLEAR POOL - 2, a concentrated solution of a quaternary ammonium halide, is a most effective agent for the control of algae in public and private swimming pools. Continued usage, as directed will improve the appearance, cleanliness and sanitary conditions of the pool.

- Eliminates Unsightly Green Coatings.
- Improves Chlorine Retention.
- Simplifies Cleaning Operations.
- More Effective Filtration.
- No Shut-Downs.
- Maintains Sure-Grip Floors.

CLEAR POOL - 2 is STABLE. It may be stored for prolonged periods of time without losing strength or effectiveness.

This product is toxic to fish. Treated effluent should not be discharged where it will drain into lakes, streams, or ponds.

### CAUTION

CLEAR POOL - 2 is a concentrate and should be handled with care and used only as directed. Do not get in eyes, on skin or on clothing. Causes severe eye damage and skin irritation. Remove and wash all contaminated clothing before reuse. Use goggles or face shield. In case of contact, flush eyes and skin with water for at least 15 minutes, for eyes get medical attention. If swallowed, do not induce vomiting. Drink large quantities of fluid and call a physician immediately.

### KEEP FROM FREEZING

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
