LEFT PANEL

DE VERE HELP SANITIZER

HELP SANITIZER is a sanitizer for the last tank. HELP SANITIZER leaves no film on glasses. The rich creamy head on beer lasts longer when HELP SANITIZER is used in the last tank. Even on the first glass of beer, a collar of foam remains after each swallow. Glasses will drain perfectly and there will be no water spotting.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

1. Scrape and prewash utensils and glasses whenever possible.
2. Wash with De Vere LIME SOLVENT.
3. Rinse with clean water.
4. Sanitize in a solution of 3/4 oz. HELP SANITIZER to 1 gallon of water. Immerse all utensils for at least two minutes, or for contact time specified by governing sanitary code.
5. Place sanitized utensils on a rack or drainboard to air dry.

1st TANK WASH 1 oz. LIME SOLVENT to 4 gal. water	2nd TANK RINSE Clear Water	3rd TANK SANITIZE Required amount of HELP SANITIZER
---	----------------------------------	--

3/4 oz. HELP to 1 gallon of water provides 150 ppm of active ingredients Dodecyl Benzene Sulfonic Acid.

Use only in stainless steel tanks. Do not mix with chlorine solutions.

RIGHT PANEL

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER

Corrosive: Causes irreversible eye damage or skin burns. Harmful if swallowed or absorbed through skin or inhaled. Do not get in eyes, on skin or on clothing. Avoid breathing spray mist. Wear goggles or face shield. Wear protective clothing and rubber gloves. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in a cool, dry place. Store in original container in a locked storage area inaccessible to children.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Do not reuse empty container. Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
