ACUTE TOXICITY

BIO-GUARD DCM-10 Algicide

*Controls algae-slime growth on recirculating
water cooling towers and evaporative condensers.*

KEEP OUT OF REACH OF CHILDREN DANGER

(See additional Precautions - side panel)

IRMA - ACUTE TOXICITY: Use of contact immediately to eyes or skin may cause irritation for up to 10 minutes. For eyes, wash thoroughly with water. If irritation continues, consult a physician. If swallowed, do not induce vomiting. Call a physician or a poison control center. If inhaled, move to fresh air. If irritation continues, consult a physician.

CONTINUOUS TREATMENT: Do not allow to accumulate in tanks or pipes. If accumulation occurs, flush with water. If accumulation continues, consult a physician.

RECI CULATING WATER: Do not allow to accumulate in tanks or pipes. If accumulation occurs, flush with water. If accumulation continues, consult a physician.

EVAPORATIVE CONDENSERS: Do not allow to accumulate in tanks or pipes. If accumulation occurs, flush with water. If accumulation continues, consult a physician.

WATER COOLING TOWERS: Do not allow to accumulate in tanks or pipes. If accumulation occurs, flush with water. If accumulation continues, consult a physician.

STORAGE: Store in a cool, dry place away from food, drink and pets. Do not store near incompatible materials.
