DIRECTIONS
KILLS OR ALL INSECTS

To kill **COCKROACHES**, **FLIES**, **SPIDER EGGS**, **SILVERFISH**, **CRICKETS** and **ANTS**:
Spray baseboards, cracks, crevices, moist areas, and openings around sinks and pipes and other hiding places, hitting the insects directly. Spray ant hills and ant trails over window and door sills and other locations. Repeat as necessary for control.

CAUTION

Store upright in a cool place (not over 120°F). Do not place on hot surface. Do not puncture the can. Never throw in fire or incinerator. Keep out of reach of children. Use this product as a space spray in food processing plants only when plant is not in operation. Foods should be removed or covered during treatment. All food processing surfaces and utensils should be covered or thoroughly cleaned before use. Avoid prolonged or repeated contact with skin.
