Butcher's Green Valley

Sanitizes the air as it refreshes

Now you can keep the air refreshed and healthier, too. Green Valley reduces bacteria in the air as it deodorizes. Clears away bad odors with push-button action.

HOW TO USE

How to Use

To destroy odors, spray upwards toward the center of the room. For sanitizing, spray about 10 seconds 4 times per day in the average size (10' x 12' x 8') room. For effective sanitizing action, humidity should exceed 20%.
