# Butcher's Lemon Tree

SANITIZES THE AIR  
AS IT REFRESHENS

Now you can keep the air refreshed and pleasant. Lemon Tree reduces bacteria in the air and odorizes. Clears away odors for a fresh push button action.

SHAKE WELL BEFORE USING

### How To Use

To destroy odors, spray upwards toward the center of the room. For sanitizing, spray about 10 times a day. For a room size 12 x 9 ft. room. For a room with a high ceiling, humidity, or dirt, spray 15 times.
