NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Spur-rex Products
 A Division of Spurrier Chemicals Co., Inc.
 1200 E. Central
 Wichita, KS 67201

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

The registrant is advised that the following information is required for the labeling of your product under FIFRA, sec. 2(c)(1)(b) and to be consistent with the requirements of similar products to avoid confusion:

1. The label or/ or other label required for your product must be consistent with the labeling of similar products to avoid confusion.

2. Make the following changes listed below on your label for shipment:

- Add the phrase "EPA Registration No. 5768-10."
- The product name as declared on your label for sale as "Spurrier Disinfectant" must be consistently declared throughout the label text and the front panel of the label. A trademark is not acceptable.
- The full legal company's name as declared on your label, as of January 7, 1983 must be declared on your label.
- The company's address as declared on your label for sale must be declared on the label.
- Delete the number 6836-58 from the label. This is the old registration number.

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL	DATE
---------------------------------	------

- f. For the label size submitted, the STORAGE AND DISPOSAL heading and the Child Hazard Warning "KEEP OUT OF REACH OF CHILDREN" would require a 12 point type size minimum and the signal word DANGER (front panel only) would require an 18 point type size minimum.
- g. Correct your EPA Establishment as outlined in your letter of January 7, 1983
3. The revised Confidential Statement of Formula submitted February 9, 1983 is acceptable.
4. The submitted microbiological test report (analytical assays) results are acceptable for the above referenced product (Submitted January 20, 1983).
5. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

John H. Lee
Product Manager (31)
Disinfectants Branch
Registration Division (TS-767C)

Enclosures
