Sodium Hypochlorite . . . 3.25%
Sodium Phosphate as Na₃PO₄ .12 H₂O . . . 91.75% } 12' TEMPO MED. C/LC

INERT INGREDIENTS . . . 5.00% ← 14' TEMPO MED. CAPS

CAUTION
KEEP OUT OF REACH OF CHILDREN } - 12' TEMPO MED. CAPS

Chlorex can be used as a sanitizing cleaner by dissolving it in water to produce the proper desired free Chlorine concentration. For every 1 ounce per gallon of Chlorex dissolved in water there will be 243 ppm of available Chlorine. After the surfaces have been cleaned and sanitized with the Chlorex solution, they should be thoroughly rinsed with potable water. } - 8' FUTURA DEMI BOLD with OBLIQUE
