SIDE PANEL B
U.S.D.A. Reg. # 5887-4

Directions:

Lift the hinged cap on top and squeeze sides of container to dust plants. Hold container in a vertical or horizontal position. Shake container occasionally to fluff material. Cover both top and undersides of leaves evenly and thoroughly with a light film of dust. Apply at weekly intervals throughout the growing season. Repeat after heavy rains. Apply dust in early morning or late evening when the air is calm. Do not use on certain ferns including Boston, Maidenhair, and Pteris, as well as on some species of Crassula. Do not use on Boston Ivy. Do not use on Japanese Maple.

Caution:

Harmful if swallowed. Avoid inhalation of dust and contact with skin, eyes, and clothing. Avoid contamination of food and food-stuffs. Wash thoroughly after handling. Keep out of reach of children and domestic animals. Do not contaminate water by cleaning of equipment or disposal of wastes.

Notice:

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
