MANUFACTURED BY

MOYER CHEMICAL COMPANY

1310 OLD BAYSHORE HIGHWAY P.O. BOX 945 SAN JOSE, CALIFORNIA

NET WEIGHT — 50 POUND

DIRECTIONS FOR USE GENERAL CLASSIFICATION

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

To control chinch bugs, sod webworms, ants, brown dog ticks, crickets, cutworms, earwigs, and sowbugs, uniformly apply this product at the rate of 25 pounds per 5,000 square feet to non crop turf grass areas using any hand or power operated gravity or rotary type spreader designed for application of granular materials. Treat when insects first appear; re-treat as necessary. To help obtain uniform distribution, apply one-half the required amount of product in one direction; then apply the balance at a right angle, **IMMEDIATELY AFTER APPLICATION**, thoroughly water the treated turf to wash the insecticide into the zone of insect infestation.

To control Japanese beetle larvae, uniformly apply this product at the rate of 25 to 50 pounds per 2,500 square feet as directed above. For best results, treat when grubs are young and actively feeding near the soil surface, usually during late July and August. Consult your local Agricultural Extension Service specialist for the best time to treat in your area. Do not apply to Dichondra.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION
KEEP OUT OF REACH OF CHILDREN
MAY BE HARMFUL IF SWALLOWED**

Do not take internally. Avoid contact with eyes, skin, and clothing. Wash thoroughly after handling. Wash contaminated clothing before reuse. Flush contaminated eyes with plenty of water and get medical attention if irritation develops or persists. Keep children and pets off treated areas until this material is washed into the soil and grass is dry.

NOTE TO PHYSICIAN: Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. Atropine is an antidote.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds, and other wildlife. Keep out of any body of water. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not apply where runoff is likely to occur. Use this product only as specified on this label.

STORAGE AND DISPOSAL

STORAGE: Keep away from food, feedstuffs, and domestic water supplies. Keep container closed.

DISPOSAL: Do not reuse empty container. Wrap container and put in trash collection.

NOTICE: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE, expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
