

KILLS Fleas, Ticks & Lice
ON
DOGS & CATS
"QUICK ACTING"

Net Contents: 5 OZS.

CAUTION: KEEP OUT OF REACH OF CHILDREN.
 See other Precautions on Back Panel.

DIRECTIONS FOR APPLICATION

Dust liberally over animal and rub thoroughly down to the skin. Begin at the head and work back, taking care to treat feet and legs. Comb out dead ticks a few hours after treatment. Dust bedding and living quarters as needed. Force dust into cracks and crevices. Sprinkle lightly on furniture, floors and rugs. Remove with a vacuum cleaner after an hour or two. Repeat at weekly intervals if necessary. Do not apply to eyes or face of animals and do not use on cats or puppies under four weeks old. A single treatment gives protection against fleas, lice and ticks for days.

CAUTION: Harmful if swallowed, avoid breathing dust. Avoid contact with skin, wash thoroughly after using. Do not store near and avoid contamination of feed and foodstuffs. Keep away from children. This product is toxic to fish and wildlife. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

NOTE TO PHYSICIAN: Carbaryl is a cholinesterase inhibitor. Atropine is an antidote.
