

MERKYL PM-TL

ACTIVE INGREDIENT:

Phenylmercuric Acetate..... 14.75%

INERT INGREDIENTS: 85.25%

Mercury as Metal - 8.85%

MILDEWICIDE FOR TEXTILES FOR CONTINUOUS OUTDOOR USE ONLY

KEEP OUT OF REACH OF CHILDREN

FIRST AID

HANDLING PRECAUTIONS: May be fatal if swallowed or absorbed through the skin. Do not get on skin or clothing when handling this product or its diluted solutions. The use of rubber gloves is recommended. Always wash hands promptly after handling solutions and before eating. Do not breathe the spray mist. Keep concentrate away from foods, humans, pets and livestock.

If swallowed: Give milk or white of egg beaten with water. Drink one or two glasses of water and induce vomiting by touching back of throat with finger or blunt object. Do not induce vomiting or give anything by mouth to an unconscious person. Repeat milk or white of egg beaten with water. Call a physician immediately.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. Pesticide, spray mixture or rinsate that cannot be used according to label instructions must be disposed of according to applicable Federal, State or local procedures. "Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance." CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other approved State and Local procedures.

If on skin: Wash immediately with warm water. Remove and wash contaminated clothing before reuse.

If in eyes: Flush with water for at least fifteen minutes and get medical attention.

Our recommendations for use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied, is made as to the effects of such or the results to be obtained if not used in accordance with directions or established safe practice. The buyer must assume all responsibility, including injury or damage, resulting from its misuse as such, or in combination with other materials.

ENVIRONMENTAL HAZARDS: This product is toxic to fish, birds, and other wildlife. Do not contaminate water by cleaning of equipment or disposal of wastes.

It is a violation of Federal law to use this product in a manner inconsistent with its labelling.

For directions for use, see Technical Bulletin No. 6390-8
