DO NOT REUSE CONTAINER. DESTROY WHEN EMPTY.

Octagon Superior Oil Spray is a top quality Phytonomic Oil Contact Insecticide, and a "sticking agent" for various insecticides and fungicides. It is a highly refined paraffin base, straight cut petroleum fraction. It is for use on plants in the dormant stage.

FRUIT TREES: Apple, Peach, Plum, Cherry. For dormant spraying, use 3 gallons of Octagon Superior Oil Spray per 100 gallons of water. (San Jose Scale, Scurfy Scale, Leaf Roller Egg, and Red Mite Eggs.)

NOTE: Oil spray should not be applied when temperature is to fall below freezing before spray has a chance to dry. Do not use when Sulfur residue is present.

SHADE TREES AND ORNAMENTALS: For dormant sprays use three gallons Octagon Superior Oil Spray per 100 gallons of water. (Colony Maple Scale and Red Mite Eggs.)

SMALL USER: 8 Tablespoonsful per 1 gallon of water.
