

# CAUTION

MILLIONS OF HOMES ARE  
INVADED BY ANTS,  
ROACHES, SPIDERS,  
FLEAS, EARWIGS AND  
OTHER INSECT-PESTS.

**THE NU-MRK NU-METHOD  
ANT AND ROACH KILLER**  
IS AN EXCELLENT WAY TO  
PROTECT YOUR HOME AND  
PREVENT INSECT PROBLEMS.

PREPARATION TIPS TO MAKE  
YOUR APPLICATION MORE  
EFFECTIVE.  
(SEE DIRECTIONS ON OPPOSITE PANEL)

**Kitchen:** Remove all food, dishes, and  
cookware from cabinets and the bottom  
of stoves. Drawers may be pulled out to  
facilitate spraying of cabinets.

**Living areas, offices, bedrooms:** Pull  
all furniture away from walls to allow  
access to baseboards.

**Closets, basements and other  
storage areas** often become cluttered.  
It is a good idea to clean up these areas  
and throw out old newspapers, clothing  
and other unwanted debris. Remove  
shoes and all other items from closet  
floors.

**NEVER GIVE  
A-BUG-A-BREAK,  
GIVE HIM NU-MRK!**

### STORAGE AND DISPOSAL

Do not contaminate water, food, or feed  
by storage or disposal. Do not reuse  
empty containers. Wrap containers in  
newspaper and put in trash collection.

**REACH OF CHILDREN**

## Directions For Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

See caution on back. See opposite side of can for additional directions. **To Kill Roaches, Ants, Waterbugs, Silverfish, And Crickets:** Spray heavily in all cracks, around baseboards and other places where these insects hide. Also spray until wet, surfaces behind and beneath cabinet, refrigerators, sinks and stoves. Use on other localized areas infested with these pests. Repeat treatment as required.

**Flies, Mosquitoes, Wasps-Outdoors:** For outdoors, use only as an aid in reducing annoyance from these insects. Spray outside surfaces of screens, doors, windows, frames or wherever these insects may enter the room. Also treat surfaces around light fixtures on porches, in garages and other places where these insects alight or congregate.

To avoid unfavorable reaction, do not spray or allow this material to remain in contact with Vinyl, Asphalt Tile, Linoleum and plastic products.

## PRECAUTIONARY STATEMENT

### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

## CAUTION

Harmful if swallowed, inhaled or absorbed through the skin. Avoid contamination of feed and foodstuffs. Avoid inhalation and skin contact; wash thoroughly after using and before eating or smoking. Do not use on household pets or humans. Do not apply where children are likely to frequently contact treated surfaces. Do not allow children or pets in treated areas until all surfaces are dry. Do not use as a space spray; for use as a spot treatment only. Do not spray electrical conduits, outlets, motor housings, or electrical switch boxes. Apply only in well ventilated areas. Remove house pets and cover fish bowls. Do not contaminate dishes or cookware. Do not use in edible products area of food processing plants, restaurants or other area where food is commercially prepared or processed. Do not use in serving areas where food is exposed. Spray infested surfaces only until wet.

## STATEMENT OF PRACTICAL TREATMENT

**If swallowed** -- Call physician immediately. Gastric lavage is indicated if material was taken internally. Do not induce vomiting unless other treatment is not available. Vomiting may cause aspiration pneumonia. If it is necessary to induce vomiting, give victim one or two glasses of water and insert finger in back of throat. Repeat until vomit fluid is clear. Do not induce vomiting or give anything by mouth to an unconscious person.

**If inhaled** -- Remove victim to fresh air. Apply artificial respiration if indicated. Get medical attention.

**If on skin** -- Wash immediately with soap and water. Get medical attention.

**If in eyes** -- Flush eyes with plenty of water. Call physician immediately.

**Note to Physician:** If symptoms of cholinesterase inhibition are present, atropine sulfate by injection is antidotal. 2-PAM is also antidotal and may be administered, but only in conjunction with atropine. Petroleum solvent presents aspiration hazard.

### DO NOT ALLOW CHILDREN OR PETS IN TREATED AREAS UNTIL ALL SURFACES ARE DRY

E.P.A. Reg. No. 6911-5 E.P.A EST NO. 06911 MI 01

**PHYSICAL OR CHEMICAL HAZARDS**

**CAUTION FLAMMABLE MIXTURE:** Do not spray in or near heat or open flames. Do not smoke while spraying.
