

A chemically pure, scientifically formulated room deodorant. Aids in the reduction of airborne bacteria, and in removing unpleasant bathroom odors, smoking odors, kitchen odors, pet odors. Deodorizes gym shoes, bowling shoes and other athletic equipment. DIRECTIONS: Remove protective cap, hold dispenser upright, pointing valve away from face. By spraying room so that a light fog forms, this formula will reduce the number of airborne bacteria and virus particles. This will aid in providing a temporary decontamination of the air. Gym shoes and other athletic equipment should be sprayed individually for best results. Repeated applications should be made periodically according to conditions which prevail.
